

Below are answers to questions from interested Vendors.

1. Is there a contract for this service currently or is it performed by the VA? If there is a contract in place, who is the current incumbent how much was the award amount? **No current contract.**
2. Are the current dispensers being removed and being disposed? If yes, would the awarded contractor be responsible to remove and disposing the dispenser? **The awarded Vendor will remove the dispensers from the wall and dispose of the current dispensers. The wall area is to be repaired by the Vendor after the installation of the new dispensers.**
3. If the current dispensers are remaining without removal, is the Northport VAMC just looking to add additional 100 Dispenser for rental as mentioned in the statement of work? **100 dispensers for 100 restrooms. All existing dispensers shall be removed from the restrooms.**
4. Would it be the awarded contractor's responsibility to maintain, repair and refill the current dispensers if it isn't being removed? **What is the model and make of the current dispensers?** **The current dispensers will be removed by the Vendor. The current dispenser to be removed is called the Summer Breeze by Rubbermaid-model FG4870157.**
5. Are aerosol or non-aerosol units preferred? **Must cover 6,000 cubic feet of air.**
6. Is there any scent preference, and can different scents be used? **To be determined after award (if too powerful for users. Remember, senior citizens are using these facilities too.)**
7. What is the highest height a unit will be required to be installed at? **Will be replacing current units.**
8. What is the average height requirement for the 100 units? **Again, replacing current units.**
9. Do we have to take down any of the current odor control wall units? **Yes, all of them.**
10. Do you have a preference for mounting the new wall units? **None.**
11. Who is the incumbent & award amount? **None.**
12. Can air freshener have low VOCs or no VOCs? **Not a requirement.**
13. Approximately how many units break per year? **Information not available.**
14. Is there an approximate award date? **Estimated award date is September 20th, 2018.**
