

Solicitation 36C25618U0395

Vendor Questions:

1. What color mesh will be needed on the task chairs? It's stated that you want contrasting stitches on the seat to match the mesh back, however, the color mesh is not specified.

Answer: Nickel mesh

Onyx contrast stitching on back

2. Do we need to grade in the fabric or can we use equivalents from our own line?

Answer: Grade in the fabric
