

Brand Name or Equal Worksheet (“Salient Characteristics”)

Brand Name Item:

1) Essential/significant physical, functional, or performance characteristics.

VA Hospital:

XProtect Professional+ Base License

XProtect Professional+ Device License

New Workstation

Pahrump Clinic:

Cisco Industrial Ethernet 3000 4 port switches

Cisco expansion POE/POE+ Module

Cisco AC-DC power module for POE

Cisco Rugged SFP (Mini-GBIC)

Cisco Catalyst 3650-24PS-S switches

Cisco Power supply-640 Watt

Cisco 8Ft. Power Cables

Cisco IOS License V.16.3

Enclosures for pole mount cameras to house the larger Cisco switches

Database merge to Lenel from there P.E.S. group

New Seneca Workstation 4TB

XPPPLUSDL Licenses

Y3XPPPLUSDL

Southwest Primary Care Clinic Equipment:

Seneca Workstation Dell T3620 8GB Ram 4TB storage

Seneca Server 64TB Storage, dual 240 GB SSD Memory, Intel XEON silver 4114 CPU's

Milestone XProtect+ Device license

Axis P3224-LV-MKII Cameras

Axis M5525-E PTZ Cameras

Northwest Primary Care Clinic Equipment:

Seneca Workstation Dell T3620 8GB Ram 4TB storage

Seneca Server 64TB Storage, dual 240 GB SSD Memory, Intel XEON silver 4114 CPU's

Milestone XProtect+ Device license

Axis P3224-LV-MKII Cameras

Axis M5525-E PTZ Cameras

Southeast Primary Care Clinic Equipment:

Brand Name or Equal Worksheet (“Salient Characteristics”)

Seneca Workstation Dell T3620 8GB Ram 4TB storage

Seneca Server 64TB Storage, dual 240 GB SSD Memory, Intel XEON silver 4114 CPU's

Milestone XProtect+ Device license

Axis P3224-LV-MKII Cameras

Axis M5525-E PTZ Cameras

Northeast Primary Care Clinic Equipment:

Seneca Workstation Dell T3620 8GB Ram 4TB storage

Seneca Server 64TB Storage, dual 240 GB SSD Memory, Intel XEON silver 4114 CPU's

Milestone XProtect+ Device license

Axis P3224-LV-MKII Cameras

Axis M5525-E PTZ Cameras

2) Complete generic identification –

New Cameras equipment for the 4 Primary Care Clinics listed above.

3) Applicable model/make/catalog number –

Pahrump Clinic:

(5) Cisco Industrial Ethernet 3000 4 port switches

(5) Cisco expansion POE/POE+ Module

(5) Cisco AC-DC power module for POE

(10) Cisco Rugged SFP (Mini-GBIC)

(2) Cisco Catalyst 3650-24PS-S switches

(4) Cisco Power supply-640 Watt

(4) Cisco 8Ft. Power Cables

(2) Cisco IOS License V.16.3

(5) Enclosures for pole mount cameras to house the larger Cisco switches

(1) Database merge to Lenel from there P.E.S. group

Manufacturer name:

Dell

Axis

Seneca

Lenel Milestone Platform (Operating software)

Specific tasks crucial to Vendor:

- Above equipment MUST be a complete match as to interface with current Lenel On-Guard video system used by the VASNHS hospital.
- Service provider must be capable of being supported locally within the Las Vegas Valley as to provide immediate response times (within 2HR for Emergency calls)

Brand Name or Equal Worksheet (“Salient Characteristics”)

- Vendor MUST be an authorized dealer/partner with Climatec LLC. As the current Lenel On-Guard Video system is under a Service Maintenance Agreement with Climatec LLC. of Las Vegas and installation/service/programing of the above new equipment shall not void that service agreement.

Per VAAR 811.104 and 811.105, I certify the following regarding the above information:

- The salient characteristics listed above are essential to the Government’s requirements and shall be matched exactly as to void the current Service Maintenance Agreement the VASNHS Hospital has with Climatec LLC.
