Enrich Products, Inc. is the sole manufacturer of EPI Copper-Silver Ionization Systems. EPI Copper-Silver Ionization systems are Federally EPA registered and registered with the State of Arizona as a Legionella pneumophila control system. EPI systems are also NSF/ANSI 61 and 372 Certified and UL Listed (US and Canada). These systems are manufactured in Pittsburgh, PA, USA.

Enrich Products, Inc. is the exclusive and sole distributor and service provider of EPI Copper-Silver Ionization Systems. All replacement parts and service must be conducted through Enrich Products, Inc. for the warranties to continue in force. It is possible that the registrations and certifications could be voided if a party other than Enrich services or replaces any components.

Please let me know if you have any questions.

Sincerely,

*Aaron Marshall*
