This is a competitive Request for Quote (RFQ) conducted under FAR Part 13.106-2(b)(3) - Comparative Evaluation source selection process.

The Government will conduct comparative evaluations of all quotes received, and award to the response which represents the best overall benefit to the Government. Each response must at minimum meet the solicitation requirement statement. Responses may include, but not limited to: any/all applicable Federal, State and Local certifications; the procedural plan that indicates the time and sequence, experience, past performance, and price for the completion of the requirement.

Quotes will be compared to other responses received to achieve the best overall benefit to the Government. Once the Government determines that there is a quoter that provides the best overall benefit it may communicate with only that quoter to address any remaining issues.

The government will conduct a comparative assessment of offeror s responses based upon the following criteria:

1	<b>Delivery</b> – Offeror s clearly demonstrates in its response a clear understanding of the Government’s requirements for scheduling and completion of requirement with PWS. Offeror provides a clear and effective approach in providing the required services within the time frame.
2	<b>Qualifications:</b> Offeror s clearly demonstrates in its response a clear understanding of the Government’s requirements for qualification and certifications to any/all applicable Federal, State and Local certifications. offeror provides certification of applicable Federal, State and Local certifications.

The Government will utilize internal documentation including Federal Awardee Performance and Integrity Information System (FAPIS) and Past Performance Information Retrieval System (PPIRS) for determining the Past Performance of Offeror.

The Government will review the price schedule for completeness and accuracy and will evaluate the reasonableness of the quoted prices. Normally, adequate price competition establishes a fair and reasonable price. Government reserves the right to award to a offeror with other than the lowest price. Award will be made to the offeror whose quote represents the best overall value to the government.

The Government reserves the right to select a response that provides benefit to the Government that exceeds the minimum. The Government is not required to select a response that exceeds the minimum. The Government is not accepting alternate quotes; only one (1) quote shall be submitted by the quoter. Be sure to respond to any information the Government is requesting within this Request for Quote.

All quoters who are Veteran concerns must be certified as Service Disabled Veteran Owned Small Business (SDVOSB) in Vetbiz/VIP: <https://www.vip.vetbiz.gov/> at the time of solicitation closing. All quoters must be fully registered and active in SAM: <https://www.sam.gov/> at solicitation closing.

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) [ ] Are, [ ] are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) [ ] Have, [ ] have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) [ ] Are, [ ] are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) [ ] Have, [ ] have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
