VA Northern California Health Care System
Initial Outfitting, Transition & Activation

Statement of Work

Physical Therapy Equipment

VA Northern California Health Care System

1601 Concord Avenue

Chico, CA 95928

1 Introduction

Veteran Affairs Northern California Health Care System (VANCHCS) has a requirement to purchase Physical Therapy Equipment with an authorized vendor to supply and deliver the item(s) identified in Table 1 below. This requirement is in support of a brand name or equal requirement. See attachments for salient characteristics. This requirement is in support of the activation of Chico VA Clinic. Item(s) are to be delivered to the location specified in section 2.4.1.

Table 1 – Package Items Summary

Item Number	Item Description	Quantity
M8100	Bath, Warming, Splint – Whitehall Manufacturing SP-1501-SLD; Brand Name or Equivalent	1
M8105	Bath, Paraffin, Hand/Foot – Whitehall Manufacturing PB-104 Brand Name or Equivalent	1
M8111	Fluidotherapy Unit, Single Extremity – DJO Global, for Chattanooga Products FLU110D ; Brand Name or Equivalent	1
M8115	Conditioner, Cold Treatment Pack – Game Ready; Brand Name or Equivalent	1
M8174	Ultrasound/Neuromuscular Stimulation Combo Unit – Dynatronics D709; Brand Name or Equivalent	2
T0975	Table, Hand Therapy – AliMed ; Brand Name or Equivalent	1
U1016	Bench, Positioning, Bariatric – Medicus Health 7052M1, Brand Name or Equivalent	1

2 General Conditions 2.1 Site Address

2.1.1 The address of the VANCHCS Chico VA Clinic is provided below. Further information on delivery is located in section 2.4.

Chico VA Clinic
1601 Concord Avenue Chico,
CA 95928

2.2 Delivery Schedule

Items shall be delivered no earlier than the estimated delivery start date and no later than the delivery end date listed in Table 2 below.

Table 2 – Anticipated Building Outfitting Schedule

VA Northern California Health Care System

1601 Concord Avenue

Chico, CA 95928

Building Name	Building # & Letter	Acronym	Est. Delivery Start Date	Est. Delivery End Date
Go Energistics Warehouse		Whse.	12/10/2018	1/10/2018

2.3 Schedule and Order Management

2.3.1 The above delivery schedule is based upon the current construction schedule. The vendor shall not increase prices for a change in delivery date for up to 30+ days due to construction delays.

2.3.2 The awardees actual delivery dates will be confirmed by VA upon award. The Government's Beneficial Use/Acceptance date of the ANCHCS Chico VA Clinic is February 13 2019. Due to construction timelines and possible delays, the completion date of VANCHCS Chico VA Clinic may change.

2.3.3 Post-award, the vendor will coordinate delivery prior to beginning any work (See Section 2.4).

2.4 Delivery and Receiving

2.4.1 Delivery and receipt of the proposed items is anticipated to be directed to the location identified below. Confirmation of delivery location will be provided post-award.

☐ **VANCHCS Chico VA Clinic** *(Direct Delivery to address detailed in paragraph 2.1.1)*

☒ **IOT&A Contractor-Provided Warehouse Local to the VANCHCS** Go Energistics Warehouse: Attn: GoE-VA Project, 13290 Contractor Dr., Chico, CA 95928

2.4.2 Delivery shall be freight on board (FOB) – Destination.

2.4.3 The vendor is required to define the need for a staging area to accommodate item delivery, if needed. Post-award, this information will be confirmed with the vendor.

2.4.4 The delivery of items identified in this document shall take place during normal business hours which are defined as: 0800 to 1630 (i.e.: 8:00am to 4:30pm Pacific Standard Time), Monday through Friday, and excluding Federal Holidays.

2.4.5 Delivery trucks will not be permitted to remain at the loading dock. Trucks shall be unloaded, moved from the dock, and then brought back to the dock if required to haul out any waste, tools, or excess materials.

2.4.6 Labeling of delivered items shall include the VA facilities contract number and VA purchase order number for identification and reference upon receipt of product.

2.5 Use of Warehouse

2.5.1 The vendor shall communicate through the VA POC any required coordination requirements.

VA Northern California Health Care System

1601 Concord Avenue

Chico, CA 95928

2.6 Clean Up and Disposal

2.6.1 There are no dumpsters available for vendor use.

2.6.2 The removal of waste and/or excess material shall be conducted through the loading dock area. Delivery trucks and/or other vendor vehicles will not be permitted to remain at the loading dock. Vehicles will need to be brought back to the dock if required to remove any waste, tools, or excess materials.

2.7 Deliverables

2.7.1 The vendor shall provide CAD drawings (including shop drawings) and specifications for site prep for their product as required.

2.7.2 The vendor shall provide Finish Sample(s) where indicated. Contact name and location TBD.
