

Response to Questions 36C256-19-Q-0004 Industrial Hygienist:

1. Section 3 of Contractor Response Time it states " response time shall be within twenty-four (48) hours after". Please clarify whether is it 24 or 48 hours.

CONTRACTOR RESPONSE TIME:

The contractor shall respond to "Emergency Requirements" from the COR by arriving at the designated location within two (2) hours, after receipt of the requirement. The "Standard" response time shall be within **twenty-four (24)** hours after receipt of the requirement.

2. Page 9 under the price cost table shows 4001 then 3002-3004. Is it supposed to show 4001-4004?

B.3 PRICE/COST SCHEDULE

Option Year Four (4) item number 4001 are as followed:
4001 – 4004

3. What do you mean by Uncovered cost breakout?

Uncovered cost (breakout) for line item #3 refers to a fixed amount to cover emergency services such as media testing/sampling and removal.
