VA REQUEST  
FOR LEASE  
PROPOSALS  
NO.  
36C25918R0537  
Castle Rock, CO

**Offers due  
by  
11/26/2018**

In order to be considered for award, offers conforming to the requirements of the RLP shall be received no later than 1400, MST on the date above. See "Receipt Of Lease Proposals" herein for additional information.

This Request for Lease Proposals ("RLP") sets forth instructions and requirements for proposals for a Lease described in the RLP documents. Proposals conforming to the RLP requirements will be evaluated in accordance with the Method of Award set forth herein to select an Offeror for award. The Government will award the Lease to the selected Offeror, subject to the conditions herein.

*The information collection requirements contained in this Solicitation/Contract, that are not required by the regulation, have been approved by the Office of Management and Budget pursuant to the Paperwork Reduction Act and assigned the OMB Control No. 3090-0163.*

# REQUEST FOR LEASE PROPOSALS NO. 36C25918R0537

8/26/2018  
GLOBAL RLP GSA FORM R100 (OCT 2017)

## SECTION 1 STATEMENT OF REQUIREMENTS

### 1.01 GENERAL INFORMATION (SEP 2015)

A. This Request for Lease Proposals (RLP) sets forth instructions and requirements for proposals for a Lease described in the RLP documents. The Government will evaluate proposals conforming to the RLP requirements in accordance with the Method of Award set forth below to select an Offeror for award. The Government will award the Lease to the selected Offeror, subject to the conditions below.

B. Included in the RLP documents is a lease form Exhibit A (GSA Form L100) setting forth the lease term and other terms and conditions of the Lease contemplated by this RLP and a GSA Proposal to Lease Space (GSA Form 1364) on which Offeror shall submit its offered rent and other price data, together with required information and submissions. The Lease paragraph titled "Definitions and General Terms" shall apply to the terms of this RLP. The exhibit A is NOT the final lease, only a representation of what it will be. The Exhibit A will be modified to reflect negotiated terms and conditions.

C. Do not attempt to complete the lease form Exhibit A (GSA Form L100). Upon selection for award, the VA will transcribe the successful Offeror's final offered rent and other price data included on the GSA Form 1364 into the lease form, and transmit the completed Lease, including any appropriate attachments, to the successful Offeror for execution. Neither the RLP nor any other part of an Offeror's proposal shall be part of the Lease except to the extent expressly incorporated therein. The Offeror should review the completed Lease for accuracy and consistency with his or her proposal, sign and date the first page, initial each subsequent page of the Lease, and return it to the Lease Contracting Officer (LCO).

D. The Offeror's executed Lease form shall constitute a firm offer. No Lease shall be formed until the LCO executes the same Lease form and delivers a signed copy to the Offeror.

### 1.02 AMOUNT AND TYPE OF SPACE, LEASE TERM, AND OCCUPANCY DATE (OCT 2016)

A. The Government is seeking a minimum of **14,000** to a maximum of **15,597** of Rentable Square Feet (RSF) of contiguous space within the Area of Consideration set forth below. See Section 2 of the Lease for applicable standards.

B. The Space shall be located in a modern quality Building of sound and substantial construction with a facade of stone, marble, brick, stainless steel, aluminum or other permanent materials in good condition and acceptable to the LCO. If not a new Building, the Space offered shall be in a Building that has undergone, or will complete by occupancy, modernization or adaptive reuse for the Space with modern conveniences.

C. The Government requires **0** structured/inside parking spaces and **70** surface/outside parking spaces, reserved for the exclusive use of the Government. These spaces must be secured and lit in accordance with the Security Requirements set forth in the Lease. Offeror shall include the cost of this parking as part of the rental consideration. Security includes the government exercising security / law enforcement / control over all leased areas & parking / sidewalks.

D. As part of the rental consideration, the Government may require use of part of the Building roof for the installation of antenna(s). If antenna space is required, specifications regarding the type of antenna(s) and mounting requirements are included in the agency requirements information provided with this RLP.

E. The Government may provide vending machines within the Government's leased area under the provisions of the Randolph-Sheppard Act (20 USC 107 et. seq.). If the Government chooses to provide vending facilities, the Government will control the number, kind, and locations of vending facilities and will control and receive income from all automatic vending machines. Offeror shall provide necessary utilities and make related alterations. The cost of the improvements is part of Tenant Improvement (TI) costs. The Government will not compete with other facilities having exclusive rights in the Building. The Offeror shall advise the Government if such rights exist.

F. The lease term shall be **20** Years, **20** Years Firm, with Government termination rights, in whole or in parts, effective at any time after the Firm Term of the Lease by providing not less than **0** days' prior written notice. This Lease may be renewed at the option of the Government for **0**, **0**-year terms. The Government reserves the right in the Lease to not include an option, or to reduce the length of an option, if inclusion of the option would cause the Lease to score as a capital lease, in accordance with the Budget Scorekeeping: Operating Lease Treatment paragraph of this RLP. Should the Government make the determination to modify the term or option(s), an amendment to the RLP will be issued.

G. The Lease Term Award Date is anticipated to be on or about 3/13/2019 or earlier, with Beneficial Occupancy (rent payment commencement) upon acceptance of the Space, whichever is later.

**Commented [KJD(1)]:** The max is lower than the min. Also, is this a hard range? I.e., if someone has 14,000 RSF will they not make the cut?

**Commented [SR2R1]:** The min. sq. footage is 14,854 according to the space plan and SF-81. We are ok with the amount.

### 1.03 AREA OF CONSIDERATION (JUN 2012)

The Government requests Space in an area bounded as follows:

North: Castle Rock Parkway  
South: Santa Fe Dr. / Black Feather Trail  
East: Woodlands Blvd / E Allen St  
West: N. Meadows Dr. / Meadows Blvd..

Buildings that have frontage on the boundary streets are deemed to be within the delineated Area of Consideration.

### 1.04 UNIQUE REQUIREMENTS (OCT 2016)

The offered Building and/or Property must have the following features:

- A. roof in good repair, no leaks. Offeror will certify roof soundness, leakproof for term of the lease. Alternatively a new roof may be installed as part of the shell during the buildout at lessor expense.

**Commented [SR3]:** For mold questions I would suggest an IAQ sampling be done, and as far as the roof, a VA resident Engineer or an outside third party evaluate. I'm not sure if we can request an IAQ as part of the RLP, but we can make a roof inspection/acceptance part of the punch list correct?

### 1.05 NEIGHBORHOOD, PARKING, LOCATION AMENITIES, AND PUBLIC TRANSPORTATION (DEC 2015)

- A. Neighborhood and Parking: Inside City Center:

Space shall be located in a prime commercial office district with attractive, prestigious, and professional surroundings with a prevalence of modern design and/or tasteful rehabilitation in modern use. Streets and public sidewalks shall be well maintained. The parking-to-square-foot ratio available on-site shall at least meet current local code requirements, or in the absence of a local code requirement, on-site parking shall be available as given in paragraph 1.02C.

- B. Neighborhood and Parking: Outside City Center:

Space shall be located 1) in an office, research, technology, or business park that is modern in design with a campus-like atmosphere; or, 2) on an attractively landscaped site containing one or more modern office Buildings that are professional and prestigious in appearance with the surrounding development well maintained and in consonance with a professional image. The parking-to-square-foot ratio available on-site shall at least meet current local code requirements, or, in the absence of a local code requirement, on-site parking shall be available as given in paragraph 1.02C.

**Commented [SR4]:** I think this is fair and reasonable

- C. intentionally deleted

- D. Intentionally deleted.

### 1.06 LIST OF RLP DOCUMENTS (OCT 2017)

The following documents are attached to and included as part of this RLP package:

DOCUMENT NAME	NO. OF PAGES	EXHIBIT
Global Lease L100 (Oct 17)	41	A
Not used	0	B
GSA 3516 Solicitation Provisions	6	C
GSA 3517B General Clauses	15	D
GSA 1364 Proposal to Lease Space	5	E
GSA 1217 Lessor Annual Cost	2	F
GSA 12000 FPLS Evaluation	6	G
DOL Wage Determination - State of CO	9	H
Space Requirements Plan	6	I
Facility Security Level II	4	J

### 1.07 AMENDMENTS TO THE RLP (JUN 2012)

This RLP may be amended by notice from the LCO. Amendments may modify the terms of this RLP, or the terms, conditions, and requirements of the Lease contemplated by the RLP.

#### 1.08 LEASE DESCRIPTION (OCT 2016)

A. Offeror shall examine the Lease form included in the RLP documents to understand the Government's and the Lessor's respective rights and responsibilities under the contemplated Lease. This is Exhibit A and is not the final lease but has all GSA paragraphs included. It will be customized by the LCO.

B. The Lease contemplated by this RLP includes:

1. The term of the Lease, and renewal option, if any.
2. Terms and Conditions of the Lease, including Definitions, Standards, and Formulas applicable to the Lease and this RLP.
3. Building Shell standards and requirements.
4. Information concerning the tenant agency's buildout requirements, to be supplemented after award.
5. Security Requirements. To include the government exercising security / law enforcement / control over all leased areas & parking / sidewalks.
6. A description of all services to be provided by the Lessor.

C. Should the Offeror be awarded the Lease, the terms of the Lease shall be binding upon the Lessor without regard to any statements contained in this RLP.

D. The Lease contemplated by this RLP is a fully serviced, turnkey Lease with rent that covers all Lessor costs, including all shell upgrades, TIs, operating costs, real estate taxes, and security upgrades. Rent shall be based upon a proposed rental rate per Rentable Square Foot (RSF), limited by the offered rate and the maximum ABOA SF solicited under this RLP. The Tenant Improvements to be delivered by the Lessor shall be based upon information provided with this RLP and Lease, including Agency Specific Requirements (ASR). The Lessor shall design and build the TIs and will be compensated for the TI costs based upon turnkey pricing established under the Lease. Offerors are encouraged to consider the use of existing fit-out and other improvements to minimize waste. However, any existing improvements must be deemed equivalent to Lease requirements for new installation, and Offerors are cautioned to consider those requirements before assuming efficiencies in its TI costs resulting from use of existing improvements.

After award, the Lessor must prepare Design Intent Drawings (DIDs) for the leased Space conforming to the Agency Specific Requirements. The Government will have the opportunity to review the Lessor's DIDs to determine that the Lessor's design meets the requirements of the Lease. Only after the Government approves the DIDs will the Lessor be released to proceed with buildout. The Lease also provides that the Government may modify the TI requirements, subject to the Lessor's right to receive compensation for such changes.

E. The security pricing process is described in a separate paragraph.

F. Upon completion and acceptance of the leased Space, the Space will be measured for establishing the actual annual rent, and the lease term shall commence. During the term of the Lease, rent will be adjusted for changes to the Lessor's operating costs and real estate taxes, pursuant to paragraphs set forth in Section 2 of the Lease.

G. Offerors are advised that doing business with the Government carries special responsibilities with respect to sustainability, fire protection and life safety, and security, as well as other requirements not typically found in private commercial leases. These are set forth both in the lease form and in the GSA Form 3517B, which will be part of the Lease.

#### 1.09 RELATIONSHIP OF RLP BUILDING MINIMUM REQUIREMENTS AND LEASE OBLIGATIONS (OCT 2016)

The Lease establishes various requirements relating to the Building shell. Such requirements are not deemed TIs. There are certain Building requirements that are established as minimum requirements in this RLP. If the Lessor's Building does not meet the requirements at the time of award, the Lessor may still be awarded the Lease. However, as a condition of award, the Government will require Lessor to identify those Building improvements that will bring the Building into compliance with RLP requirements. Upon award of the Lease, completion of those Building improvements will become Lease obligations.

#### 1.10 PRICING OF SECURITY REQUIREMENTS (OCT 2016)

A. The proposed Lease contains an attachment with the security requirements and obligations for the Building, which are based on the facility security level (FSL). The Federal Government determines the facility's FSL rating, which ranges from FSL I to FSL IV. The FSL is based on client agency mix, required size of space, number of employees, use of the space, location, configuration of the site and lot, and public access into and around the facility.

B. The security requirements attached to this Lease includes a list of security countermeasures that must be installed in the leased Space. The Offeror shall use the Security Unit Price List to provide the Government with itemized costs of these security countermeasures, and he or she shall amortize the cost of any Building Specific Amortized Capital (BSAC) into the rent.

C. There shall be no charge to the Government for any items that already exist in the offered Building or facility. **The security level for this facility is FSL II. The exhibit contains the requirements for this security level, if the building does not currently meet a standard in the exhibit, price it and include it in the BSAC amount on the GSA 1364 form.** The Government will discuss the proposed security and shall provide the scope of work during the DID workshop process after lease award for any additional changes.

**Commented [SR5]:** Housekeeping and utilities?? Onsite maintenance would be a huge plus. Snow Removal?

**Commented [SR6]:** Level II Security, do we need to address glass and cameras. I didn't see the info on the security requirements, or alarm monitoring.

#### 1.11 SECURITY LEVEL DETERMINATION FOR FACILITY HOUSING OTHER FEDERAL TENANTS (APR 2011)

If an Offeror is offering Space in a facility currently housing a Federal agency, the security requirements of the facility may be increased and the Offeror may be required to adhere to a higher security standard than other Offerors competing for the same space requirement. If two or more Federal space requirements are being competed at the same time, an Offeror submitting on both or more space requirements may be subject to a higher security standard if the Offeror is determined to be the successful Offeror on more than one space requirement. It is incumbent upon the Offeror to prepare the Offeror's proposal accordingly.

#### 1.12 INSPECTION—RIGHT OF ENTRY (JUN 2012)

A. At any time and from time to time after receipt of an offer (until the same has been duly withdrawn or rejected), the agents, employees and contractors of the Government may, upon reasonable prior notice to Offeror, enter upon the offered Space or the Premises, and all other areas of the Building access to which is necessary to accomplish the purposes of entry, to determine the potential or actual compliance by the Offeror with the requirements of the RLP and its attachments, which purposes shall include, but not be limited to:

1. Inspecting, sampling, and analyzing of suspected asbestos-containing materials and air monitoring for asbestos fibers.
2. Inspecting the heating, ventilation and air conditioning system, maintenance records, and mechanical rooms for the offered Space or the Premises.
3. Inspecting for any leaks, spills, or other potentially hazardous conditions which may involve tenant exposure to hazardous or toxic substances.
4. Inspecting for any current or past hazardous waste operations, to ensure that appropriate actions were taken to alleviate any environmentally unsound activities in accordance with Federal, state, and local law.

B. Nothing in this paragraph shall be construed to create a Government duty to inspect for toxic materials or to impose a higher standard of care on the Government than on other lessees. The purpose of this paragraph is to promote the ease with which the Government may inspect the Building. Nothing in this paragraph shall act to relieve the Offeror of any duty to inspect or liability which might arise because of Offeror's failure to inspect for or correct a hazardous condition.

#### 1.13 AUTHORIZED REPRESENTATIVES (JUN 2012)

With respect to all matters relating to this RLP, only the Government's LCO designated below shall have the authority to amend the RLP and award a Lease. The Government shall have the right to substitute its LCO by notice, without an express delegation by the prior LCO.

##### **Lease LCO:**

Richard Kern  
SAO West,  
6162 South Willow Drive, Suite 300  
Greenwood Village, CO 80111-5152  
Telephone: (303)-712-5756  
[RICHARD.KERN@VA.GOV](mailto:RICHARD.KERN@VA.GOV)

As to all other matters, Offerors may contact the Alternate Government Contact designated below.

##### **Alternate Government Contact:**

Aeonard Borel  
6162 South Willow Drive, Suite 300  
Greenwood Village, CO 80111-5152  
303-712-5758  
[Aeonard.Borel@va.gov](mailto:Aeonard.Borel@va.gov)

#### 1.14 ~~BROKER COMMISSION AND COMMISSION CREDIT (SEP 2013)~~ INTENTIONALLY DELETED

#### 1.15 NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS) CODE AND SMALL BUSINESS SIZE STANDARD (OCT 2017)

A. The North American Industry Classification System (NAICS) code for this acquisition is 531120, unless the real property is self-storage (#531130), land (#531190), or residential (#531110).

B. The small business size standard is 38.5 Million in annual average gross revenue of the concern for the last 3 fiscal years.

C. The small business size standard for a concern which submits an offer in its own name, other than on a construction or service contract, but which proposes to furnish a product which it did not itself manufacture, is 500 employees.

**1.16 DUNS NUMBER (OCT 2017)**

An offeror may obtain a DUNS number (i) via the Internet at <http://fedgov.dnb.com/webform> or if the offeror does not have internet access, it may call Dun and Bradstreet at 1-866-705-5711 if located within the United States; or (ii) If located outside the United States, by contacting the local Dun and Bradstreet office. The offeror should indicate that it is an offeror for a U.S. Government contract when contacting the local Dun and Bradstreet office.

---

## SECTION 2 ELIGIBILITY AND PREFERENCES FOR AWARD

---

### 2.01 EFFICIENCY OF LAYOUT (AUG 2011)

- A. In order to be acceptable for award, the offered Space must provide for an efficient layout as determined by the LCO.
- B. To demonstrate potential for efficient layout, the VA may request the Offeror to provide a test fit layout at the Offeror's expense. The Government will advise the Offeror if the test fit layout demonstrates that the Government's requirement cannot be accommodated within the Space offered. The Offeror will have the option of increasing the ABOA square footage offered, if it does not exceed the maximum ABOA square footage in this RLP offer package. **If the Offeror is already providing the maximum ABOA square footage and cannot house the Government's space requirements efficiently, then the Government will advise the Offeror that the offer is unacceptable.**

### 2.02 FLOOD PLAINS (OCT 2017)

A Lease will not be awarded for any offered Property located within a 100-year floodplain unless the Government has determined that there is no practicable alternative. An Offeror may offer less than its entire site in order to exclude a portion of the site that falls within a floodplain, so long as the portion offered meets all the requirements of this RLP and does not impact the Government's full use and enjoyment of the Premises. If an Offeror intends that the offered Property that will become the Premises for purposes of this Lease will be something other than the entire site as recorded in tax or other property records the Offeror shall clearly demarcate the offered Property on its site plan/map submissions and shall propose an adjustment to property taxes on an appropriate pro rata basis. For such an offer, the LCO may, in his or her sole discretion, determine that the offered Property does not adequately avoid development in a 100-year floodplain.

**In addition, a Lease will not be awarded for any offered Property adjacent to 100-year floodplain, where such an adjacency would, as determined by the LCO, in his or her sole discretion, restrict ingress or egress to the Premises in the event of a flood, unless there is no practicable alternative.**

### 2.03 ~~SEISMIC SAFETY – MODERATE SEISMICITY (OCT 2017)~~ INTENTIONALLY DELETED – GREEN AREA

### 2.04 ~~SEISMIC SAFETY – HIGH SEISMICITY (OCT 2017)~~ INTENTIONALLY DELETED – GREEN AREA

### 2.05 HISTORIC PREFERENCE (SEP 2013)

- A. The Government will give preference to offers of Space in Historic Properties and/or Historic Districts following this hierarchy of consideration:

1. Historic Properties within Historic Districts.
2. Non-historic developed sites and non-historic undeveloped sites within Historic Districts.
3. Historic Properties outside of Historic Districts.

B. Definitions:

1. Determination of eligibility means a decision by the Department of the Interior that a district, site, Building, structure or object meets the National Register criteria for evaluation although the Property is not formally listed in the National Register (36 CFR 60.3(c)).
2. Historic District means a geographically definable area, urban or rural, possessing a significant concentration, linkage, or continuity of sites, Buildings, structures, or objects united by past events or aesthetically by plan or physical development. A district may also comprise individual elements separated geographically but linked by association or history (36 CFR 60.3(d)). The Historic District must be included in or be determined eligible for inclusion in the National Register of Historic Places (NRHP).
3. Historic Property means any prehistoric or Historic District, site, building, structure, or object included in or been determined eligible for inclusion in the NRHP maintained by the Secretary of the Interior (36 CFR 800.16(l)).
4. National Register of Historic Places means the National Register of districts, sites, buildings, structures and objects significant in American history, architecture, archeology, engineering and culture that the Secretary of the Interior is authorized to expand and maintain under the National Historic Preservation Act (36 CFR 60.1).

- C. The offer of Space must meet the terms and conditions of this RLP package and its attachments. The LCO has discretion to accept alternatives to certain architectural characteristics and safety features defined elsewhere in this RLP package to maintain the historical integrity of an Historic Building, such as high ceilings and wooden floors, or to maintain the integrity of an Historic District, such as setbacks, floor-to-ceiling heights, and location and appearance of parking.

D. When award will be based on the lowest price technically acceptable source selection process, the Government will give a price evaluation preference, based on the total annual ABOA SF present value cost to the Government, to Historic Properties as follows:

1. First to suitable Historic Properties within Historic Districts, a 10 percent price preference.
2. If no suitable Historic Property within an Historic District is offered, or the 10 percent preference does not result in such property being the lowest price technically acceptable offer, the Government will give a 2.5 percent price preference to suitable non-historic developed or undeveloped sites within Historic Districts.
3. If no suitable, non-historic, developed, or undeveloped site within a Historic District is offered, or the 2.5 percent preference does not result in such property being the lowest price technically acceptable offer, the Government will give a 10 percent price preference to suitable Historic Properties outside of Historic Districts.
4. Finally, if no suitable Historic Property outside of Historic Districts is offered, no historic price preference will be given to any property offered.

E. When award will be based on the best value tradeoff source selection process, which permits tradeoffs among price and non-price factors, the Government will give a price evaluation preference, based on the total annual ABOA SF present value cost to the Government, to Historic Properties as follows:

1. First, to suitable Historic Properties within Historic Districts, a 10 percent price preference.
2. If no suitable Historic Property within a Historic District is offered or remains in the competition, the Government will give a 2.5 percent price preference to suitable non-historic developed or undeveloped sites within Historic Districts.
3. If no suitable, non-historic developed or undeveloped site within an Historic District is offered or remains in the competition, the Government will give a 10 percent price preference to suitable Historic Properties outside of Historic Districts.
4. Finally, if no suitable Historic Property outside of Historic Districts is offered, no historic price preference will be given to any property offered.

F. The Government will compute price evaluation preferences by reducing the price(s) of the Offerors qualifying for a price evaluation preference by the applicable percentage provided in this provision. The price evaluation preference will be used for price evaluation purposes only. The Government will award a Lease for the actual prices proposed by the successful Offeror and accepted by the Government.

G. To qualify for a price evaluation preference, Offeror must provide satisfactory documentation in their offer that their property qualifies as one of the following:

1. A Historic Property within a Historic District.
2. A non-historic developed or undeveloped site within a Historic District.
3. A Historic Property outside of a Historic District.

## **2.06 ASBESTOS AND MOLD (JUN 2012) MODIFIED**

A. Government requests space with no asbestos-containing materials (ACM), or with ACM in a stable, solid matrix (e.g., asbestos flooring or asbestos cement panels), which is not damaged or subject to damage by routine operations. For purposes of this paragraph, "space" includes the 1) space offered for lease; 2) common building area; 3) ventilation systems and zones serving the space offered; and 4) the area above suspended ceilings and engineering space in the same ventilation zone as the space offered. If no offers are received for such space, the Government may consider space with thermal system insulation ACM (e.g., wrapped pipe or boiler lagging), which is not damaged or subject to damage by routine operations.

B. ACM is defined as any materials with a concentration of greater than 1 percent by dry weight of asbestos.

C. Space with ACM of any type or condition may be upgraded by the Offeror to meet conditions described in sub-paragraph A by abatement (removal, enclosure, encapsulation, or repair) of ACM not meeting those conditions. If any offer involving abatement of ACM is accepted by the Government, the successful Offeror will be required to successfully complete the abatement in accordance with OSHA, EPA, Department of Transportation (DOT), state, and local regulations and guidance prior to occupancy.

D. **Management Plan.** If space is offered which contains ACM, the Offeror shall submit an asbestos-related management plan for acceptance by the Government prior to lease award. This plan shall conform to EPA guidance.

E. An IAQ certification of the space for mold spores will be required before acceptance of the space.

## **2.07 ACCESSIBILITY (SEP 2013)**

The Lease contemplated by this RLP contains requirements for Accessibility. In order to be eligible for award, Offeror must either:

A. Verify in the Lease proposal that the Building, offered Space, and areas serving the offered Space meet the Lease accessibility requirements, or

B. Include as a specific obligation in its Lease proposal that improvements to bring the Building, offered Space, and areas serving the offered Space into compliance with Lease accessibility requirements will be completed prior to acceptance of the Space.

#### **2.08 FIRE PROTECTION AND LIFE SAFETY (SEP 2013)**

The Lease contemplated by this RLP contains Building requirements for Means of Egress, Automatic Fire Sprinkler System, and Fire Alarm System. **In order to be eligible for award, Offeror must either:**

A. Verify in the Lease proposal that the Building in which Space is offered meets the Means of Egress, Automatic Fire Sprinkler System, and Fire Alarm System requirements of the Lease; or

B. Include as a specific obligation in its Lease proposal that improvements to bring the Building into compliance with Lease requirements will be completed prior to acceptance of the Space.

C. Use Exhibit G – GSA 12000 FPLS Evaluation.

#### **2.09 ENERGY INDEPENDENCE AND SECURITY ACT (OCT 2016)**

A. The Energy Independence and Security Act (EISA) establishes requirements for Government leases relating to energy efficiency standards and potential cost effective energy efficiency and conservation improvements.

B. Unless one of the statutory exceptions listed in sub-paragraph C below applies, GSA may award a lease for a Building only if the Building has earned the ENERGY STAR® label conferred by the U.S. Environmental Protection Agency (EPA) within the most recent year prior to the due date for final proposal revisions. The term "most recent year" means that the date of award of the ENERGY STAR® label by EPA must not be more than 1 year prior to the due date of final proposal revisions. For example, an ENERGY STAR® label awarded by EPA on October 1, 2010, is valid for all lease procurements where final proposal revisions are due on or before September 30, 2011. In lieu of the above, all new Buildings being specifically constructed for the Government must achieve an ENERGY STAR® label within 18 months after occupancy by the Government. In addition, Offerors of the following Buildings shall also have up to 18 months after occupancy by the Government, or as soon thereafter as the Building is eligible for Energy Star® consideration, to achieve an Energy Star® label: 1) All existing Buildings that have had an Energy Star® label but are unable to obtain a label in the most recent year (i.e., within 12 months prior to the due date for final proposal revisions) because of insufficient occupancy; 2) Newly built Buildings that have used Energy® Star's Target Finder tool and either achieved a "Designed to Earn the Energy Star®" certification or received an unofficial score (in strict adherence to Target Finder's usage instructions, including the use of required energy modeling) of 75 or higher prior to the due date for final proposal revisions and who are unable to obtain a label in the most recent year because of insufficient occupancy; 3) An existing Building that is unable to obtain a label because of insufficient occupancy but that can produce an indication, through the use of energy modeling or past utility and occupancy data input into Energy Star's® Portfolio Manager tool or Target Finder, that it can receive an unofficial score of 75 or higher using all other requirements of Target Finder or Portfolio Manager, except for actual data from the most recent year. ENERGY STAR® tools and resources can be found at [HTTPS://WWW.ENERGYSTAR.GOV/](https://www.energystar.gov/).

C. EISA allows a Federal agency to lease Space in a Building that does not have an ENERGY STAR® Label if:

1. No Space is offered in a Building with an ENERGY STAR® Label that meets RLP requirements, including locational needs;
2. The agency will remain in a Building it currently occupies;
3. The Lease will be in a Building of historical, architectural, or cultural significance listed or eligible to be listed on the National Register of Historic Places; or
4. The Lease is for 10,000 RSF or less.

D. If one or more of the statutory exceptions applies, and the offered Space is not in a Building that has earned the ENERGY STAR® Label within one year prior to the due date for final proposal revisions, Offerors are required to include in their lease proposal an agreement to renovate the Building for all energy efficiency and conservation improvements that it has determined would be cost effective over the Firm Term of the Lease, if any, prior to acceptance of the Space (or not later than one year after the Lease Award Date of a succeeding or superseding lease). Such improvements may consist of, but are not limited to, the following:

1. Heating, Ventilating, and Air Conditioning (HVAC) upgrades, including boilers, chillers, and Building Automation System (BAS)/Monitoring/Control System (EMCS).
2. Lighting Improvements.
3. Building Envelope Modifications.

**NOTE:** Additional information can be found on <http://www.gsa.gov/leasing> under "Green Leasing."

E. The term "cost effective" means an improvement that will result in substantial operational cost savings to the landlord by reducing electricity or fossil fuel consumption, water, or other utility costs. The term "operational cost savings" means a reduction in operational costs to the landlord through the application of Building improvements that achieve cost savings over the Firm Term of the Lease sufficient to pay the incremental additional costs of making the Building improvements.

F. Instructions for obtaining an ENERGY STAR® Label are provided at <http://www.energystar.gov/buildings/facility-owners-and-managers/existing-buildings/earn-recognition/energy-star-certification> (use "Portfolio Manager" to apply). ENERGY STAR® tools and resources can be found at [HTTPS://WWW.ENERGYSTAR.GOV/](https://www.energystar.gov/). The ENERGY STAR® Building Upgrade Manual (<http://www.energystar.gov/buildings/facility-owners-and-managers/existing-buildings/save-energy/comprehensive-approach/energy-star>) and Building Upgrade Value Calculator (<http://www.energystar.gov/buildings/tools-and-resources/building-upgrade-value-calculator>) are tools which can be useful in considering energy efficiency and conservation improvements to Buildings.

G. If one or more of the statutory exceptions applies, and the offered Space is not in a Building that has earned the ENERGY STAR® Label within one year prior to the due date for final proposal revisions, the successful Offeror will be excused from performing any agreed-to energy efficiency and conservation renovations, and benchmarking with public disclosure (as provided in (I) below, if it obtains the ENERGY STAR® Label prior to the Government's acceptance of the Space (or not later than one year after the Lease Award Date for succeeding and superseding leases).

H. If no improvements are proposed, the Offeror must demonstrate to the Government using the ENERGY STAR® Online Tools why no energy efficiency and conservation improvements are cost effective. If such explanation is unreasonable, the offer may be rejected.

I. As described in Section 3 of the Lease, successful Offerors meeting one of the statutory exceptions above must agree to benchmark and publicly disclose the Building's current ENERGY STAR® score, using EPA's Portfolio Manager online software application. See the Lease for additional details.

J. All new Buildings being specifically constructed for the Government must achieve the ENERGY STAR® Label within 18 months after occupancy by the Government.

K. INTENTIONALLY DELETED

## **2.10 ENVIRONMENTAL CONSIDERATIONS (SEP 2013)**

A. The Government requests space with no known hazardous conditions or recognized environmental conditions that would pose a health and safety risk or environmental liability to the Government.

B. Upon request by the Government, Offeror must provide all known previous use of the Building.

C. Offeror must indicate in its written offer any known hazardous conditions or environmental releases with/from the offered Space, Building or Property.

## **2.11 DUE DILIGENCE AND NATIONAL ENVIRONMENTAL POLICY ACT REQUIREMENTS - RLP (SEP 2014)**

A. Environmental Due Diligence

1. At the direction of the LCO, the Offeror must provide, at the Offeror's sole cost and expense, a current Phase I Environmental Site Assessment (ESA), using the American Society for Testing and Materials (ASTM) Standard E1527-13 and timeline, as such standard may be revised from time to time. In accordance with ASTM standards, the study must be performed by an environmental professional with qualifications that meet ASTM standards. This Phase I ESA must be prepared with a focus on the Government being the "user" of the Phase I, as the term "user" is defined in E1527-13. Failure to submit the required study may result in dismissal from consideration.

2. If the Phase I ESA identifies any recognized environmental conditions (RECs), the Offeror will be responsible for addressing such RECs, at its sole cost and expense, including performing any necessary Phase II ESA (using ASTM Standard E1903-11), performing any necessary cleanup actions in accordance with federal and state standards and requirements and submitting a proposed schedule for complying with these obligations. The Government will evaluate whether the nature of any of the RECs, the results of the Phase II, any completed cleanup, and the proposed schedule meet the Government's needs.

B. National Environmental Policy Act

1. While the Offeror is responsible for performing all environmental due diligence studies of the offered Property, the Government is responsible for compliance with NEPA, whether in whole or in part, on its own or with the assistance of the Offerors. NEPA requires federal agencies to consider the effects of their actions on the quality of the human environment as part of the federal decision making process and, to that end, the Government's obligations may, and in some cases will, be augmented by the Offerors as described in greater detail in the RLP.

2. The Government may either request information from the Offerors to help it meet its obligations under NEPA or share information provided in response to this provision with federal, state and local regulatory agencies as part of its compliance

responsibilities under NEPA and other applicable federal, state and local environmental laws and regulations. Further consultation with these regulatory agencies may be necessary as part of the NEPA process.

3. The Offerors are advised that the Government may be required to release the location of each offered site and other building specific information in public hearings or in public NEPA documents. By submitting an offer in response to this RLP and without the need for any further documentation, the Offeror acknowledges and consents to such release.

4. The Government reserves the right to reject any offer where (i) the NEPA-related documentation provided by the Offeror for the offered Property is inadequate, (ii) the offer entails unacceptably adverse impacts on the human environment, (iii) the identified adverse impacts cannot be readily mitigated, or (iv) the level of NEPA analysis is more extensive than is acceptable to the Government (e.g., offers must be of a nature that would allow NEPA to be satisfied by preparation of a Categorical Exclusion (CATEX) NEPA study or an Environmental Assessment (EA) with or without mandatory mitigation).

5. An Offeror must allow the Government access to the offered Property to conduct studies in furtherance of NEPA compliance. This requires research and field surveys to assess the potential impacts to the natural, social and cultural environments. Any recent studies previously conducted by the Offeror may be submitted to be included in the NEPA process.

6. The Government will not proceed with Lease award until the NEPA process is complete as evidenced by the Government's issuance of a completed CATEX, EA or Environmental Impact Statement. Upon Lease award, any mitigation measures, whether optional or mandatory, identified and adopted by the Government will become Lease obligations. All costs and expenses for development of design alternatives, mitigation measures and review submittals for work to be performed under the Lease will be the sole responsibility of Lessor.

#### **2.12 NATIONAL HISTORIC PRESERVATION ACT REQUIREMENTS - RLP (OCT 2016)**

A. The Government is responsible for complying with section 106 of the National Historic Preservation Act of 1966, as amended, 54 U.S.C. § 306108 (Section 106). Section 106 requires federal agencies to consider the effects of their actions on historic properties prior to expending any federal funds on the undertaking. The Government is responsible for identifying whether any historic properties exist in, on, under, or near the offered Property that could be affected by the leasing action. Historic properties include both above-grade (i.e., buildings and historic districts) and below-grade (i.e., archeological sites) resources. The Government is responsible for assessing effects to identified historic properties and for consulting with the State Historic Preservation Officer (SHPO), the Tribal Historic Preservation Officer (THPO), if applicable, any local Historic Preservation or Landmarks Commission, and other interested parties, if applicable, in accordance with the implementing regulations set forth at 36 C.F.R. part 800 (Protection of Historic Properties).

B. An Offeror must allow the Government access to the offered Property to conduct studies in furtherance of the Section 106 compliance. This requires research and field surveys to assess the potential presence of historic properties that may be affected by construction activity, both above- and below-grade. Compliance also may require below-grade testing to determine the presence of archeological resources and possible artifact recovery, recordation and interpretation mitigation measures.

C. Demolition or destruction of a historic property by an Offeror in anticipation of an award of a Government lease may disqualify the Offeror from further consideration.

D. The Government reserves the right to reject any offer where documentation for the offered Property is inadequate or otherwise indicates preservation concerns or adverse effects to historic properties that cannot be reasonably mitigated.

E. If the Government determines that the leasing action could affect historic property, the Offeror of any Property that the Government determines could affect historic property will be required to retain, at its sole cost and expense, the services of a preservation architect who meets or exceeds the *Secretary of the Interior's Professional Qualifications Standards for Historic Architecture*, as amended and annotated and previously published in the Code of Federal Regulations, 36 C.F.R. part 61, and the *GSA Qualifications Standards for Preservation Architects*. These standards are available at: [HTTP://WWW.GSA.GOV/HISTORICPRESERVATION](http://www.gsa.gov/historicpreservation)>Project Management Tools> Qualification Requirements for Preservation Architects. The preservation architect will be responsible for developing preservation design solutions and project documentation required for review by the Government, the SHPO, the THPO, if applicable, and other consulting parties in accordance with Section 106. For Tenant Improvements and other tenant-driven alterations within an existing historic building, the preservation architect must develop context-sensitive design options consistent with the *Secretary of the Interior's Standards for the Treatment of Historic Properties*. Where new construction or exterior alterations, or both, are located within a historic district, may be visible from historic properties or may affect archeological resources, compliance may require tailoring the design of the improvements to be compatible with the surrounding area. Design review may require multiple revised submissions, depending on the complexity of the project and potential for adverse effects to historic properties, to respond to comments from the Government and the other consulting parties. Within GSA, the Regional Historic Preservation Officer is solely responsible for corresponding with the SHPO, the THPO, if applicable, and any other consulting party. All design costs and expenses relating to satisfying the requirements of this paragraph will be borne solely by the Offeror.

---

## SECTION 3 HOW TO OFFER

---

### 3.01 GENERAL INSTRUCTIONS (JUN 2012)

Offeror shall prepare a complete offer, using the forms provided with this RLP, and submit the completed lease proposal package to the Government as indicated below.

### 3.02 RECEIPT OF LEASE PROPOSALS (SEP 2013)

A. Offeror is authorized to transmit its lease proposal as an attachment to an email. Offeror's email shall include the name, address and telephone number of the Offeror, and identify the name and title of the individual signing on behalf of the Offeror. Offeror's signed lease proposal must be saved in a generally accessible format (such as portable document format (pdf)), which displays a visible image of all original document signatures, and must be transmitted as an attachment to the email. Only emails transmitted to, and received at, the VA email address identified in the RLP will be accepted. Offeror submitting a lease proposal by email shall retain in its possession, and make available upon VA's request, its original signed proposal. Offeror choosing not to submit its proposal via email may still submit its lease proposal by United States mail or other express delivery service of Offeror's choosing.

B. In order to be considered for award, offers conforming to the requirements of the RLP shall be received in one of the following ways:

1. No later than **1400 MST** on the following date at the following designated office and address:

Date: Nov 26, 2018  
Office: NCO 19  
Address: 6162 South Willow Drive, Suite 300, Greenwood Village, CO  
80111-5152

2. No later than **1400 MST** on the following date at the following email address:

Date: Nov 26, 2018  
Email: Richard.kern@va.gov  
Address:

C. Offers sent by United States mail or hand delivered (including delivery by commercial carrier) shall be deemed late if delivered to the address of the office designated for receipt of offers after the date and time established for receipt of offers.

D. Offers transmitted through email shall be deemed late if received at the designated email address after the date and time established for receipt of offers unless it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one Working Day prior to the date specified for receipt of proposals.

E. Offers delivered through any means authorized by the RLP may be also deemed timely if there is acceptable evidence to establish that it was received at the Government installation designated for receipt of proposals and was under the Government's control prior to the time set for receipt of proposals; or if it was the only proposal received.

F. There will be no public opening of offers, and all offers will be confidential until the Lease has been awarded. However, the Government may release proposals outside the Government such as to support contractors to assist in the evaluation of offers. Such Government contractors shall be required to protect the data from unauthorized disclosure.

### 3.03 PRICING TERMS (OCT 2017)

Offeror shall provide the following pricing information with its offer:

- A. GSA Form 1217, Lessor's Annual Cost Statement. Complete all sections of the 1217.
- B. GSA Form 1364, Proposal to Lease Space. Complete all sections of the 1364, including, but not limited to:
  1. A fully serviced Lease rate (gross rate) per ABOA and RSF, clearly itemizing the total Building shell rental, TI rate, Building Specific Amortized Capital (BSAC) rate, operating costs, and parking (itemizing all costs of parking above base local code requirements or otherwise already included in shell rent).

2. Improvements. All improvements in the base Building, lobbies, common areas, and core areas shall be provided by the Lessor, at the Lessor's expense. **This Building shell rental rate shall also include, but is not limited to, property financing (exclusive of TIs and BSAC), insurance, taxes, management, profit, etc., for the Building.** The Building shell rental rate shall also include all basic Building systems and common area buildout, including base Building lobbies, common areas, core areas, etc., exclusive of the ABOA Space offered as required in this RLP.
3. The annual cost per ABOA and rentable square foot (RSF) for the cost of services and utilities. This equals line 27 of GSA Form 1217, Lessor's Annual Cost Statement, divided by the Building size (shown on the top of both GSA Form 1364, Proposal to Lease Space, and Form 1217) for ABOA and RSF, respectively.
4. The annual rent to amortize the Tenant Improvements. Such amortization shall be expressed as a cost per ABOA and RSF per year. This shall be all alterations for the Space above the Building shell and BSAC build-out. Such alterations shall be described and identified in the drawings used to construct the Space. If the Offeror chooses to amortize the TI for a period exceeding the Firm Term of the Lease, the Offeror shall indicate the extended time in the offer. If the Government terminates the Lease after the Firm Term or does not otherwise renew or extend the term beyond the Firm Term, the Government shall not be liable for any unamortized TI costs resulting from an extended amortization period.
5. The annual rent to amortize the Building Specific Amortized Capital (BSAC) costs, if any. Such amortization shall be expressed as a rate per ABOA and RSF per year. Refer to the security requirements attached to the Lease.
6. A shell rate per ABOA and RSF for that portion of the lease term extending beyond the Firm Term. The rate proposed for this portion of the term shall not reflect any TIs or BSAC as they will have been fully amortized over the Firm Term.
7. An hourly overtime rate for overtime use of heating and cooling, and annual rate for areas requiring 24/7 HVAC. **NOTE:** Refer to the Lease document for additional guidance.
8. Adjustment for Vacant Leased Premises. **NOTE:** Refer to the Lease document for additional guidance.
9. INTENTIONALLY DELETED
10. Rent concessions being offered. Indicate either on the GSA Form 1364 Proposal to Lease Space or in separate correspondence.
11. Compensation (expressed as either % or \$) to Offeror's broker and/or representative arising from an agreement between the Offeror and the Offeror's representative, agent(s), broker(s), property manager, developer, employee, or any other agent or representative in connection with the Lease contemplated herein shall be entered in block 25.b., and if the VA is using a Tenant Representative Broker, compensation (expressed as either % or \$) to the VA's Broker reflecting the agreement between Offeror and the VA's Broker, shall be entered in block 25.a.

C. Security Unit Price List. The Offeror shall use the Security Unit Price list to provide a cost breakdown of the security countermeasures, which were outlined in the security requirements attachment. The Security Unit Price list includes various improvements and services to be provided by the Lessor. Each item is classified as part of the shell, tenant improvements, or BSAC. There shall be no charge to the Government for any items that already exist in the offered Building or facility.

D. TI Unit Price List – estimated cost of the space plan for your building.

E. INTENTIONALLY DELETED

#### 3.04 BUDGET SCOREKEEPING; OPERATING LEASE TREATMENT (APR 2011)

The Government will award a Lease pursuant to this RLP only if the Lease will score as an operating lease under Office of Management and Budget Circular A-11, Appendix B. Only offers that are compliant with operating lease limitations will be eligible for award. Offerors are obligated to provide supporting documentation at the request of the LCO to facilitate the Government's determination in this regard.

#### 3.05 PROSPECTUS LEASE (OCT 2016) – INTENTIONALLY DELETED, NOT A PROSPECTUS LEASE

#### 3.06 ADDITIONAL SUBMITTALS (OCT 2017)

Offeror shall also submit with its offer the following:

- A. Offeror must supply their deed to the property at the time of award.
- B. Satisfactory evidence of at least a conditional commitment of funds in an amount necessary to prepare the Space. Such commitments shall be signed by an authorized bank officer, or other legally authorized financing official, and at a minimum shall state: amount of loan, term in years, annual percentage rate, and length of loan commitment. The space must meet the requirements in the space plan Exhibit I.

C. Evidence that the Property is zoned in compliance with local zoning laws, including evidence of variances, if any, approved by the proper local authority, or the Offeror's plan and schedule to obtain all necessary zoning approvals prior to performance if the same have not been received at the time of submission of offers.

D. Evidence of ownership or control of Building or site. If the Offeror owns the Property being offered or has a long-term leasehold interest, documentation satisfactory to the LCO evidencing the Offeror's stated interest in the Property and any encumbrances on the Property, shall be submitted. See sub- paragraph A this paragraph 3.06.

**E. If the Offeror does not yet have a vested interest in the Property, but rather has a written agreement to acquire an interest, then the Offeror shall submit a fully executed copy of the written agreement with its offer, together with a statement from the current owner that the agreement is in full force and effect and that the Offeror has performed all conditions precedent to closing, or other form of documentation satisfactory to the LCO. These submittals must remain current. The Offeror is required to submit updated documents as required and conform to sub-paragraph A of this paragraph 3.06.**

F. If claiming an historic preference in accordance with the Historic Preference paragraph in RLP Section 2, Eligibility and Preferences for Award, Offeror must submit one of the following as documentation that the Property is historic or the site of the offered Property is within a Historic District: a letter from the National Park Service stating that the Property is listed in the National Register of Historic Places (NRHP) or eligible for listing, with a date of the listing/decision; a letter from the State Historic Preservation Office stating that the Property is listed in the NRHP, or on a statewide register, or eligible for inclusion, with a date of the listing/decision; or, the NRHP Identification Number and date of listing available from the NRHP Database found at [www.nps.gov/nr](http://www.nps.gov/nr).

G. If there is a potential for conflict of interest because of a single agent representing multiple owners, present evidence that the agent disclosed the multiple representation to each entity and has authorization from each ownership entity offering in response to this RLP package. Owners and agents in conflicting interest situations are advised to exercise due diligence with regard to ethics, independent pricing, and Government procurement integrity requirements. **In such cases, the Government reserves the right to negotiate with the owner directly.**

H. The Offeror must have an active registration in the System for Award Management (SAM), via the Internet at [HTTPS://WWW.ACQUISITION.GOV](https://www.acquisition.gov), prior to final proposal revisions. Offerors must be registered for purposes of "All Awards," including completion of all required representations and certifications within SAM. This registration service is free of charge.

I. The Offeror must submit the Fire Protection and Life Safety (FPLS) Information in I.1, unless the Building meets either exemption in I.2 or I.3 below.

1. FPLS Submittal Information

- a. Completed GSA Form 12000, Prelease Fire Protection and Life Safety Evaluation for an Office Building (Part A or Part B, as applicable).
- b. A copy of the previous year's fire alarm system maintenance record showing compliance with the requirements in NFPA 72 (if a system is installed in the Building).
- c. A copy of the previous year's automatic fire sprinkler system maintenance record showing compliance with the requirements in NFPA 25 (if a system is installed in the Building).
- d. A valid Building Certificate of Occupancy (C of O) issued by the local jurisdiction. If the Building C of O is not available or the local jurisdiction does not issue a Building C of O, a report prepared by a licensed fire protection engineer with their assessment of the offered Space regarding compliance with all applicable local Fire Protection and Life Safety-related codes and ordinances must be provided.

2. If the Space offered is 10,000 RSF or less in area and is located on the 1st floor of the Building, Offeror is not required to submit to the VA the Fire Protection and Life Safety (FPLS) Submittal Information listed in I.1.a through I.1.d above.

3. If the Offeror provides a Building C of O obtained under any edition of the International Building Code (IBC), and the offered Space meets or will meet all the requirements of the Lease with regard to Means of Egress, Automatic Fire Sprinkler System, and Fire Alarm System prior to occupancy, then the Offeror is not required to submit to the VA the FPLS Submittal Information listed in I.1 above.

J. The legal description of the Property and tax ID number associated with the Property, copies of prior year tax notices and prior year tax bills, as well as any other information (such as a fact sheet, 5" wide x 3" high or larger color photograph, site plan, location map, and tax parcel map) in case of multiple tax parcels for an offered Building, or multiple buildings on a tax parcel, and any other information that may affect the assessed value, in order for the Government to perform a complete and adequate analysis of the offered Property. The Offeror is to provide a detailed overview and documentation of any Tax Abatements on the Property as outlined in the "Real Estate Tax Adjustment" paragraph of the Lease.

K. A plan and short narrative as necessary to explain how the Offeror will meet the parking requirements as given in paragraph 1.02C

L. Show how the building meets the Exhibit I Space plan requirements with an initial diagram showing how the space fit in the offered building..

M. As provided in the "Amount and Type of Space, Lease Term, and Occupancy Date" paragraph in the RLP, advise whether there are existing vending facilities in the offered Building which have exclusive rights in the Building.

N. Provide evidence demonstrating amenities do or will exist by the Government's required occupancy date. Such evidence shall include copies of signed leases, construction contracts, or other documentation as deemed acceptable by the LCO.

O. No later than the due date for final proposal revisions, the Offeror must submit to the LCO:

1. Evidence of an Energy Star® label obtained within the 12 months prior to the due date of final proposal revisions,
2. Offerors falling under a statutory exception must also indicate by the due date for final proposal revisions what cost effective energy efficiency and conservation improvements they are proposing to make.
3. If no cost-effective improvements can be made, the Offeror must demonstrate to the Government using the ENERGY STAR® Online Tools referenced in the RLP paragraph, entitled "ENERGY INDEPENDENCE AND SECURITY ACT," why no energy efficiency and conservation improvements are cost effective. This explanation will be subject to review by the LCO. If the explanation is considered unreasonable, the offer may be considered technically unacceptable.
4. If the Offeror is claiming eligibility for additional time to obtain the Energy Star® label per sub-paragraph B of the RLP paragraph entitled "Energy Independence and Security Act," then the Offeror shall provide such indication with its initial offer and also must provide by the due date for final proposal revisions evidence substantiating their claim for additional time to obtain the Energy Star® label and substantiating their capability of earning the Energy Star®.
5. For new construction, the Offeror need not submit anything regarding compliance with EISA by the date of final proposal revisions, but shall be required to produce prior to the issuance of a permit for building construction a Statement of Energy Design Intent (SEDI) using Energy Star's® Target Finder online tool reflecting an Energy Star® benchmark score of 75 or higher and a certification from EPA of being Designed to Earn the Energy Star®.

P. Intentionally deleted – not new construction

Q. Intentionally deleted – LEED not requested

T. intentionally deleted – seismic waiver only is needed, Exhibit K.

U. Information required under paragraph entitled "DUE DILIGENCE AND NATIONAL ENVIRONMENTAL POLICY ACT REQUIREMENTS - RLP."

V. Information required under paragraph entitled "NATIONAL HISTORIC PRESERVATION ACT REQUIREMENTS - RLP."

W. If the Offeror requests any deviations, all deviations must be documented on Form 1364 in block labeled "Additional Remarks or Conditions with Respect to this Offer." the VA at its sole discretion will make the decision whether or not to accept the deviation. Any deviations must be requested prior to the request for final proposal revisions. If the Offeror requests any deviations, the VA at its sole discretion will make the decision whether to accept the deviation.

X. If more than 5,000 square feet of land area is to be disturbed in order to meet the Government's requirements, (as more fully described in the lease paragraph named ENERGY INDEPENDENCE AND SECURITY ACT, sub-paragraph B)(1)(b)), a statement from Offeror that the Offeror is aware of and will comply with the specific lease requirements concerning maintenance and restoration of the real property's hydrology.

Y. Information required under paragraph entitled "UTILITIES SEPARATE FROM RENTAL / BUILDING OPERATING PLAN."

**3.07 ~~TENANT IMPROVEMENTS INCLUDED IN OFFER (SEP 2015) INTENTIONALLY DELETED~~**

**3.08 ~~TURNKEY PRICING WITH DESIGN INTENT DRAWINGS PRIOR TO AWARD (OCT 2017) INTENTIONALLY DELETED~~**

**3.09 SECURITY IMPROVEMENTS INCLUDED IN OFFER (OCT 2016)**

A. BUILDING SPECIFIC AMORTIZED CAPITAL PRICING

The Building Specific Amortized Capital (BSAC) amount is \$10.00 per ABOA SF. The BSAC shall be used for the build-out of security-related improvements in the Building in accordance with the Government-approved design intent drawings, if applicable. All security countermeasures required by the Government for occupancy shall be performed by the successful Offeror as part of the rental consideration, and all improvements shall meet the quality standards and requirements of this RLP package and its attachments.

B. The BSAC shall include all the Offeror's administrative costs, general contractor fees, subcontractor's profit and overhead costs, Offeror's profit and overhead, design costs, and other associated project fees necessary to prepare construction documents and to complete the security countermeasures. It is the successful Offeror's responsibility to prepare all documentation (working/construction drawings, etc.) required to receive construction permits. No costs associated with the building shell or TI shall be included in the BSAC pricing.

**3.10 GREEN BUILDING RATING CERTIFICATION FOR TENANT INTERIORS (OCT 2016) INTENTIONALLY DELETED – NOT LEED OR GREEN**

**3.11 OPERATING COSTS REQUIREMENTS INCLUDED IN OFFER (JUN 2012)**

The Government requires a fully serviced Lease as part of the rental consideration. The base for the operating costs adjustment will be established during negotiations based upon rentable SF. The proposed methodology for operating costs adjustment shall include all items specified in the attached Lease document. The minimum requirements for normal hours, utilities, and janitorial services are specified in the attached Lease document. The offer shall clearly state whether the rental is firm throughout the term of the Lease or if it is subject to annual adjustment of operating costs as indicated above. If operating costs will be subject to adjustment, those costs shall be specified in the proposal.

---

## SECTION 4 METHOD OF AWARD

---

### 4.01 NEGOTIATIONS (JUN 2012)

Negotiations may be conducted on behalf of the Government by the VA LCO or designated representative. When negotiations are conducted, the VA will negotiate the rental price for the initial term, any renewal periods, and any other aspect of the offer as deemed necessary. The Offeror shall not enter into negotiations concerning the Space leased or to be leased with representatives of Federal agencies other than the LCO or their designee. The LCO or their designated representative will conduct oral or written negotiations with all Offerors that are within the competitive range. The competitive range will be established by the LCO based on cost or price and other factors (if any) that are stated in this RLP and will include all of the most highly rated proposals, unless the range is further reduced for purposes of efficiency. Prior to eliminating an Offeror that is a HUBZone small business concern (SBC) and which has not waived its entitlement to a price evaluation preference from the competitive range, the LCO shall adjust the evaluated prices of all non-small business Offerors proposed for inclusion in the competitive range by increasing the prices by ten (10) percent, solely for the purpose of determining whether the HUBZone SBC Offeror should be included or excluded from the competitive range. Offerors who are not included in the competitive range will be notified in writing.

All Offerors within the competitive range will be provided a reasonable opportunity to submit revisions to their initial offer including any cost or price, technical, or other revisions that may result from the negotiations. Negotiations will be closed with submission of final proposal revisions.

### 4.02 HUBZONE SMALL BUSINESS CONCERN ADDITIONAL PERFORMANCE REQUIREMENTS (SEP 2015)

A HUBZone small business concern (SBC) Offeror may elect to waive the price evaluation preference provided in the "Award Based On Price" paragraph or the "Other Award Factors" paragraph of the RLP by so indicating on the GSA Form 1364, Proposal to Lease Space. In such a case, no price evaluation preference shall apply to the evaluation of the HUBZone SBC, and the performance of work requirements set forth in Section 1 of the Lease shall not be applicable should the HUBZone SBC be awarded the Lease. A HUBZone SBC Offeror acknowledges that a prospective HUBZone SBC awardee must be a qualified HUBZone SBC at the time of award of this contract in order to be eligible for the price evaluation preference. The HUBZone SBC Offeror shall provide the LCO a copy of the notice required by 13 CFR 126.501 if material changes occur before contract award that could affect its HUBZone eligibility. If it is determined, prior to award, that the apparently successful HUBZone SBC Offeror is not an eligible HUBZone SBC, the LCO will reevaluate proposals without regard to any price preference provided for the previously identified HUBZone SBC Offeror, and make an award consistent with the solicitation and the evaluation factors set forth herein.

If a HUBZone SBC that has not waived the price preference is awarded the Lease, the certification required by the "Additional Financial and Technical Capability" paragraph of the Lease must be provided within 10 days of award. If it is determined within 20 days of award that a HUBZone SBC Offeror that has been awarded the Lease was not an eligible HUBZone SBC at the time of award, and the HUBZone SBC Lessor failed to provide the LCO with information regarding a change to its HUBZone eligibility prior to award, then the Lease shall be subject, at the LCO's discretion, to termination, and the Government will be relieved of all obligations to the Lessor in such an event and not be liable to the Lessor for any costs, claims or damages of any nature whatsoever.

### 4.03 AWARD BASED ON PRICE (JUN 2012)

A. The Lease will be awarded to the responsible Offeror whose offer conforms to the requirements of this RLP and the Lease documents and is the lowest priced technically acceptable offer submitted. Refer to the "Present Value Price Evaluation" paragraph of this RLP. Estimated TI costs are included in the price evaluation.

B. If after completion of the Price Evaluation, award is proposed to a non-small business Offeror, and there exists as part of the procurement another technically acceptable proposal submitted by a responsible Offeror that is a qualified HUBZone small business concern (SBC) which has not waived its entitlement to a price evaluation preference, the evaluated price of the non-small business Offeror's proposal shall be increased by ten (10) percent, solely for the purpose of determining whether award should be made to the HUBZone SBC Offeror. In such a case, the proposals of the apparently successful non-small business Offeror and the HUBZone SBC Offeror shall be considered in light of the applied price preference, and award made to the lower priced offer. The LCO shall document his/her application of the price preference and further consideration of the offers under this subparagraph.

C. If an offer contains terms taking exception to or modifying any Lease provision, the Government will not be under any obligation to award a Lease in response to that offer.

### 4.04 OTHER AWARD FACTORS (OCT-2016) INTENTIONALLY DELETED

### 4.05 FACTOR DESCRIPTIONS (OCT-2016) INTENTIONALLY DELETED

### 4.06 FACTOR MINIMUM STANDARDS (OCT-2016) INTENTIONALLY DELETED

**4.07 FACTOR SUBMITTAL REQUIREMENTS (OCT 2016) INTENTIONALLY DELETED**

**4.08 DOCUMENTATION REQUIREMENTS (OCT 2016) INTENTIONALLY DELETED**

**4.09 PRESENT VALUE PRICE EVALUATION (OCT 2016)**

A. If annual CPI adjustments in operating expenses are included, the Offeror shall be required to submit the offer with the total "gross" annual price per RSF and per ABOA SF and a breakout of the "base" price per RSF and ABOA SF for services and utilities (operating expenses) to be provided by the Lessor. The "gross" price shall include the "base" price. The base price per ABOA SF from which adjustments are made will be the base price for the term of the Lease, including any option periods.

B. The Offeror must submit plans and any other information to demonstrate that the Rentable Space yields ABOA space within the required ABOA range. The Government will verify the amount of ABOA SF and will convert the rentable prices offered to ABOA prices, which will subsequently be used in the price evaluation.

C. Evaluation of offered prices will be based on the annual price per ABOA SF, including all required option periods. The Government will perform present value price evaluation by reducing the prices per ABOA SF to a composite annual ABOA SF price, as follows:

1. Parking and wareyard areas will be excluded from the total square footage but not from the price. For different types of space, the gross annual per ABOA SF price will be determined by dividing the total annual rental by the total ABOA square footage excluding these areas.

2. Free rent will be evaluated in the year in which it is offered. The gross annual price is adjusted to reflect free rent.

3. Prior to the discounting procedure below, the total dollar amount of the Commission Credit (if applicable) will be subtracted from the first year's gross annual rent, unless the provision of free rent causes the credit to apply against rent beyond the first year's term, in which case the Commission Credit will be allocated proportionately against the appropriate year's gross rent.

4. Also as stated in the "Broker Commission and Commission Credit" paragraph, the amount of any commission paid to the VA's Broker will not be considered separately as part of this price evaluation since the value of the commission is subsumed in the gross rent rate.

5. If annual adjustments in operating expenses will not be made, the gross annual price, minus the Commission Credit (if applicable), will be discounted annually at 5 percent to yield a gross present value cost (PVC).

6. If annual adjustments in operating expenses will be made, the annual price, minus the Commission Credit (if applicable) and minus the base cost of operating expenses, will be discounted annually at 5 percent to yield net PVC. The operating expenses will be both escalated at 2.5 percent compounded annually and discounted annually at 5 percent, then added to the net PVC to yield the gross PVC.

7. To the gross PVC will be added:

a. For lease acquisitions where the Government is considering less than fully-serviced offers, the cost of Government-provided services (e.g., utilities, janitorial) not included in the rental escalated at 2.5 percent compounded annually and discounted annually at 5 percent.

b. The annualized (over the full term) cost of any items, which are to be reimbursed in a lump sum payment. (The cost of these items is present value; therefore, it will not be discounted.)

c. The annual price for parking to accommodate the minimum number of spaces required for government vehicles, if not included in the shell rent and charged separately. The price will be discounted annually at 5 percent.

d. The cost of relocation of furniture, telecommunications, replications costs, and other move-related costs, if applicable.

e. INTENTIONALLY DELETED

f. The annual cost of overtime HVAC based on the offered hourly overtime rate and an estimated usage of   0   hours of overtime HVAC per year for the Space. This cost will be discounted annually at 5 percent.

g. The estimated cost of the TI to accommodate the space plan which is paid as a lump sum on acceptance.

8. The sum of either sub-paragraphs 5 and 7 or sub-paragraphs 6 and 7, divided by the ABOA SF will be the present value cost per ABOA SF of the offer for price evaluation purposes.

#### **4.10 AWARD (OCT 2017)**

A. To document the agreement between the parties, the successful Offeror and the VA LCO will execute a Lease prepared by the VA, which incorporates the agreement of the parties. The Lease shall consist of the following at a minimum:

1. Lease No. 36C25918L0237 and any associated Lease amendments.
2. GSA Form 3517B, General Clauses.
3. The pertinent provisions of the offer to include the GSA 1364 and GSA 1217.
4. Floor plans of the offered Space.
5. Lessor statement on building condition and any roof changes.

B. The acceptance of the offer and award of the Lease by the Government occurs upon execution of the Lease by the LCO and mailing or otherwise furnishing written notification of the executed Lease to the successful Offeror.
