If contracting officer determines that circumstance of contract action deem only one source is considered reasonable available. This is a reference to the part of the Federal Acquisition Regulation that allows an item to be purchased without being fully competed. This statement serves as a point of reference in case the justification is questioned. In this case, it would be reviewed for its relativity to this part of the Federal Acquisition Regulation.
7.	<p>NATURE & BACKGROUND OF ACQUISITION TO JUSTIFY SOLE SOURCE: <i>Emergency request for surgical instruments/supplies. Due to high procedure volumes and sterilization requirements, additional surgical trays are urgently needed to keep up with demand. Requested equipment will mitigate delays in patient care. Requested surgical instruments and supplies match existing supplies used at facility. In addition to emergent need for these items, standardization is required for sterilization process.</i></p> <ul style="list-style-type: none"> Describe the minimum salient characteristics that will meet your needs. This is the area where you explain why no other vendor anywhere can supply this requirement for you. Acceptable reasons for "sole source" include (but are not limited to): bound by contract, technical order specification, warranty service, or regional standardization. If the reason for sole source is determined locally, offer what market research or clinical guidelines led to the decision.

8. PROVIDE INFORMATION SHOWING MARKET RESEARCH WAS CONDUCTED: *Requested items are open-market as verified by a search of the GSA and NAC online product catalogs, and inquiry to the vendor. Items match surgical instrument trays currently in use.*

- This justification is for why no other vendor anywhere can supply your item or service and still meet your needs. Your rationale for barring other vendors is crucial to your justification. If you already cited the statutory reason for a sole source, state, "See paragraph 7". If your rationale for a sole source purchase was determined locally, offer an explanation of the source selection process you went through to determine your sole source requirement. Unacceptable reasons include (but are not limited to) personal taste, good relationship with existing vendor, or one's comfort level with a particular vendor.
- Describe the similarities and differences in vendors for the product that you are aware of that could assist or prevent the purchaser from obtaining the best value for you. Be sure to name the vendors. This section will help the purchaser decide which vendors are available to purchase this item from. If market research was not conducted, state it AND the reason that there was no market research.

9. PRICE ANALYSIS "FAIR AND REASONABLE": *Item pricing for each line item has been discounted for the Government at pricing below List price, as verified by vendor:*

Line Item 1: 331F8,
Line Item 2: 332F8,
Line Item 3: G93, Ur
Line Item 4: C650-1;
Line Item 5: ST-CR,
Line Item 6: E117, U
Line Item 7: E121 7,
Line Item 8: E151, U
Line Item 9: E8213, I

- This section is mandatory. Do not leave this section blank. Even though this must be purchased from only one source, you must still obtain a quote from the vendor for this purchase. This way you are able to verify added costs for delivery, your geographic region, or installation. Cite the pricing here. If you purchased this item before, compare this price to what you paid last time. Cite this as well in your answer.

10. LISTING OF SOURCES EXPRESSING INTEREST IN THIS REQUIREMENT: *None.*

- Enter or attach contact information for sources you cited in the description of your source selection. If sole source by statute, regulation, or standard, list contact information for that source here.

11. FUTURE ACTION TO OVERCOME BARRIER TO OTFOC: *None.*

- This section fulfills the legal requirement to affirm that the selection of a singular source for this requirement is an anomaly and that action will be taken in the future to ensure full competition in the future. The reason this is needed is to describe how the government will make an effort in the future to fully comply with standard acquisition practices and not resort to creating unnecessary partnerships with few vendors at the risk barring full competition to circumvent the FAR. By signing this, you are telling the contracting officer to avoid the processes that assure best value and fairness in this acquisition. If the reason for sole source purchase is because of statute, standard, or regulation, enter "THE SOURCE FOR THIS PURCHASE IS REQUIRED IAW." Cite this as well in your answer.
