BY _____
(Signature of Contracting Officer)

CONTINUATION PAGE

1. The government has identified that CCN Reg4 Pricing Template v4 11052018.xlsx Pricing Sheet (CLIN X020) Tab contains a duplicate CPT Code. CPT 89353 “Thawing cryopreserved; sperm/semen each aliquot” is listed on rows 195 and 222 of the pricing template published with Amendment 0009. The Government does not intend to issue a new Pricing Template. Offerors should propose the same price for CPT 89353 on row 195 and 222. Submitted pricing for the duplicated CPT code should match however the government will consider the lowest of the two prices if they differ.
2. The government has identified CCN Reg4 Pricing Template v4 11052018.xlsx Pricing Sheet (CLIN X020) Tab contains an incorrect CPT Code for “Radiologic examination, chest; single view”. 70145 is the CPT code listed, however the correct CPT code is 71045. The Government does not intend to issue a new Pricing Template. Offerors should propose the price for CPT 71045 on row 73 with the CPT code identified (70145).
3. Page 240 Section L.9.2.1 of Conformed SF 33 RFP 36C10G18R0208-1 Amendment 0009 is amended to remove requirement to propose a list of interim implementation milestones for CLINs X017 through X019. See Page 240 Section L.9.2.1 of attached Conformed SF 33 RFP 36C10G18R0208-1 Amendment 0010.
4. Page 242 Section L.9.4.2 contains information on narrative page counts. The government clarifies that proposed unit prices and rates do not need to be duplicated in the Price Volume if listed in the pricing template as stated in the RFP. The pricing template, which is in excel, consists of unit rates and prices and therefore that data may be excluded from the narrative. This clarification does not add text to the attached Conformed SF 33 RFP 36C10G18R0208-1 Amendment 0010.
5. If paper proposals have already been submitted, vendors may send corrected pages only for updates to paper submissions, instead of full volume replacements, via any method authorized in the RFP (email preferred). Replacement pages must be received by the time and date for receipt of proposals (Currently 9 November 2018 at 13:00 EST). Versions required to be submitted by electronic means (email or portal) should be the complete documents submitted by the due date and time specified. Submission of the complete document for electronic versions ensures the submitter has responsibility for what it wishes the government to evaluate.
6. Documents previously submitted that do not require correction do not need to be resubmitted with the submission date updated.

7. The date and time for receipt of proposals is not extended, it is 9-November-2018 at 13:00 PM EST.
8. All other Terms and Conditions remain the same.

See attached document: Conformed SF 33 RFP 36C10G18R0208-1 Amendment 0010.
