E.1 INSTRUCTIONS TO OFFERORS

ADDENDUM to FAR 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL ITEMS

In addition to information provided by FAR Clause 52.212-1 Instructions to Offerors – Commercial Items, the following instructions apply:

- (a) This acquisition is being conducted in accordance with the procedures in Federal Acquisition Regulation (FAR) 13.106-2: Comparative Evaluation. As such:
 - Evaluation Factors/sub factors are not required.
 - The Government reserves the right to select a response that provides benefit to the Government that exceeds the minimum.
 - The Government is not required to select a response that exceeds the minimum.
- (b) In accordance with FAR Part 13 -Simplified Acquisition Procedures, the Government will award purchase order(s) from this solicitation to the responsible quoter(s) whose quote(s) conform to the solicitation and represents the most advantageous solution to the Government's requirement.
- (c) The Government may accept any item or group of items quoted, unless quoter qualifies the quote by specific limitations.
- (d) The Government intends to make an award based on initial submissions. Consequently, vendors are highly encouraged to quote their best nonprice and pricing quotes in their initial submissions. However, the Government reserves the right to communicate with any or all contractors submitting a quote, if it is determined advantageous to the Government to do so. If these communications take place, the Government is not obligated to communicate with every contractor (note that FAR Part 15 procedures do not apply; therefore, formal discussions are not applicable). A contractor may be eliminated from consideration without further communication if its non-price and/or pricing quotes are not among those vendors considered most advantageous to the Government based on a comparative evaluation.
- (e) The quote shall be submitted in accordance with the following instructions, which establishes the acceptable requirements for the format and content of the quote.
- (f) The quote must stipulate that it is predicated upon all the terms and conditions of this combined synopsis/solicitation (CSS) and signed by an official authorized to bind your organization. In addition, it must contain a statement to the effect that it is firm for a period of at least 30 days from the date of receipt thereof by the Government.
- (g) This CSS does not commit the Government to pay any of the costs associated with the preparation and submission of any quote received in response to this solicitation.

In addition, the Contracting Officer is the only individual authorized to legally commit the Government to the expenditure of public funds in connection with this requirement.

(h) Format:

The submission shall be clearly indexed and logically assembled. Each volume shall be clearly identified and shall begin at the top of a page. All pages of each volume shall be appropriately numbered and identified by the complete company name, date, and solicitation number in the header and/or footer.

Quote page limitations are applicable to this procurement. The table below indicates the maximum page count (when applicable) for each volume of the quote. All files will be submitted as a Microsoft Excel (.xls/.xlsx), Microsoft Word (.doc/.docx), or Acrobat (.pdf) file or compatible as indicated in the table. Page size shall be no greater than 8 1/2" x 11". The top, bottom, left and right margins shall be a minimum of one inch each. Font size shall be no smaller than 12-point. Times New Roman fonts are required.

Characters shall be set at no less than normal spacing and 100% scale. Tables and illustrations may use a reduced font size not less than 8-point and may be landscape. Line spacing shall be set at no less than single space. Each paragraph shall be separated by at least one blank line. Page numbers, company logos, and headers and footers are not bound by the 12-point font requirement. Footnotes to text shall not be used.

The use of hyperlinks in quotes is prohibited. If the vendor submits annexes, documentation, attachments or the like, not specifically required by this solicitation, such will count against the page limitations unless otherwise indicated in the specific Volume instructions below. Pages in violation of these instructions, either by exceeding the margin, font, or spacing restrictions, or by exceeding the total page limit for a particular volume, will not be evaluated. Pages not evaluated due to violation of the margin, font, or spacing restrictions will not count against the page limitations. The page count will be determined by counting the pages in the order they appear in the print layout view.

(l) File Packaging:

Do not compress (zip) proposal files. VA Network Security Operations Center (NSOC) has temporarily blocked email attachments with the ".zip" extension as a mitigation measure against the ongoing world-wide ransomware event impacting many organizations. During this time, .zip file extensions will be permanently stripped from email traffic, and will not be recoverable. Due to VA email file size restrictions, offerors are encouraged to logically separate their proposal into separate emails. If this is necessary, offerors should attempt to contain complete volume within single email transmissions (and not split volumes). Offerors are encouraged to review and ensure that sufficient bandwidth is available on their end of the transmission.

(i) Content Requirements:

All information shall be confined to the appropriate file. The vendor shall confine submissions to essential matters, sufficient to define the quote and provide an adequate basis for evaluation. Vendors are responsible for including sufficient details, in a concise manner, to permit a complete and accurate evaluation of each quote.

- (j) Quotes submitted in response to this solicitation shall contain the following in separate volumes:

VOLUME NUMBER	ATTACHMENT	FILE NAME	PAGE LIMITATION
Volume 1	Technical Capability	[contractor name]Tech.doc/PDF	None
Volume 2	Price	[contractor name]Tech.doc/PDF	Complete B.3 Price/Cost Schedule

(b) Quoters shall include signed amendment(s) (SF 30s), if any, in the Price volume. An authorized official of the prime contractor shall sign quote, amendment(s) and all certifications requiring signature. Additionally, any proposed terms and conditions and/or assumptions upon which the quote is predicated shall be included in the Price volume.

(c) Quoters are hereby advised that any quote- imposed terms and conditions and/or assumptions which deviate from the Government's material terms and conditions established by the solicitation, may render the offeror's quote unacceptable, and thus ineligible for award.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) Are, are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) Have, have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing,

and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
