This statement serves as a point of reference in case the justification is questioned. In this case, it would be reviewed for its relativity to this part of the Federal Acquisition Regulation.
<p>7. NATURE & BACKGROUND OF ACQUISITION TO JUSTIFY SOLE SOURCE: The Sioux Falls VA Health Care System has a requirement for an interactive patient bedside TV system for use throughout the facility. In order to implement this system, new Ethernet cabling must be installed in new areas to ensure the proper wiring infrastructure is available. The VA intends to award a sole-source contract to Dakota Electric Inc. Dakota Electric has been selected for this project as they are an experienced healthcare facility construction contractor; have completed similar projects for the Sioux Falls VA HCS; and are currently on site at the Sioux Falls VA HCS. As such, they are immediately capable to begin performance under this project with speed and efficiency required to meet the critical timeline required for this project. In addition to this justification, 38 U.S.C. 8127 and Public Law 109-461 provides authority to the Department of Veterans Affairs to engage in sole source acquisitions with Service Disabled Veteran Owned Small Bussinesses (SDVOSB) and Veteran Owned Small Businesses (VOSB).</p> <ul style="list-style-type: none"> • Describe the minimum salient characteristics that will meet your needs. This is the area where you explain why no other vendor anywhere can supply this requirement for you. Acceptable reasons for "sole source" include (but are not limited to): bound by contract, technical order specification, warranty service, or regional standardization. If the reason for sole source is determined locally, offer what market research or clinical guidelines led to the decision. If this item is included in an allowance standard for War Reserve Materiel (WRM), cite the allowance standard, required source, and stock number for this item. NOTE FOR WRM PURCHASES: The Defense Logistics Agency is your primary source for WRM equipment. Be sure to determine availability from a DLA item manager before contracting for WRM equipment. If DLA cannot meet your timelines for WRM equipment, your urgency may be further justification for other than full and open competition. See your Medical Logistics Flight Commander for more details.

8. PROVIDE INFORMATION SHOWING MARKET RESEARCH WAS CONDUCTED: See paragraph 7

- This justification is for why no other vendor anywhere can supply your item or service and still meet your needs. Your rationale for barring other vendors is crucial to your justification. If you already cited the statutory reason for a sole source, state, "See paragraph 7". If your rationale for a sole source purchase was determined locally, offer an explanation of the source selection process you went through to determine your sole source requirement. Unacceptable reasons include (but are not limited to) personal taste, good relationship with existing vendor, or one's comfort level with a particular vendor.
- Describe the similarities and differences in vendors for the product that you are aware of that could assist or prevent the purchaser from obtaining the best value for you. Be sure to name the vendors. This section will help the purchaser decide which vendors are available to purchase this item from. If market research was not conducted, state it AND the reason that there was no market research.

9. PRICE ANALYSIS "FAIR AND REASONABLE": Proposal cost analysis will be performed by engineering and contract staff.

- This section is mandatory. Do not leave this section blank. Even though this must be purchased from only one source, you must still obtain a quote from the vendor for this purchase. This way you are able to verify added costs for delivery, your geographic region, or installation. Cite the pricing here. If you purchased this item before, compare this price to what you paid last time. Cite this here as well.

10. LISTING OF SOURCES EXPRESSING INTEREST IN THIS REQUIREMENT: Dakota Electric, Inc., 25832 476th Ave, Sioux Falls, SD 57104-6514. Ph. 605-339-0075. (SDVOSB Verified)

- Enter or attach contact information for sources you cited in the description of your source selection. If sole source by statute, regulation, or standard, list contact information for that source here.

11. FUTURE ACTION TO OVERCOME BARRIER TO OTFOC: This is a unique, one-time requirement. The Sioux Falls VA HCS rarely awards construction projects on a sole source basis. Future requirements will continue to be forecasted to allow timely solicitation on a competitive basis. The Source for this purchase is 38 U.S.C. 8127 & Public Law 109-461.

- This section fulfills the legal requirement to affirm that the selection of a singular source for this requirement is an anomaly and that action will be taken in the future to ensure full competition in the future. The reason this is needed is to describe how the government will make an effort in the future to fully comply with standard acquisition practices and not resort to creating unnecessary partnerships with few vendors at the risk barring full competition to circumvent the FAR. By signing this, you are telling the contracting officer to avoid the processes that assure best value and fairness in this acquisition. If the reason for sole source purchase is because of statute, standard, or regulation, enter "THE SOURCE FOR THIS PURCHASE IS REQUIRED IAW [cite the standard here]."
