Retrieval Kit Instructions

- Retrieval kits are used to retrieve Telehealth equipment that is no longer required by the veteran. Use UPS RETURN LABEL if Box is not needed.
- Click the following links for the current Retrieval Kit Instructions:
- [UPS Retrieval Kit Instruction Letter](#) [USPS Retrieval Kit Instruction Letter](#)
- The Retrieval kit and UPS return label that are available are listed below:
 - FOR BILLING PURPOSES, please order the correct return kit for your program. i.e. Home Telehealth and VVC (VA Video Connect)

Item Name	Vendor Stock Number	Price	HCPCS
The Return Kits below are for Home Telehealth users <u>only</u>: (1 Vision/ Medtronic items)			
RETRIEVAL KIT	18596		TH112
UPS RETURN LABEL	15387		TH112
The return kits below are for VVC (VA Video Connect) users <u>only</u>: (iPads)			
RETRIEVAL KIT VVC			TH112
UPS LABEL VVC			TH112

- **Retrieval kit** packages include: reclosable plastic bag, retrieval kit instructions, 3 strips of packing tape approximately 30”, and a UPS return label or USPS business reply label.
- **A business reply label** along with USPS retrieval kit instructions will be sent for all addresses that are to a PO box.
- **A UPS return label** along with UPS retrieval kit instructions will be sent for all street addresses.
- The retrieval kit instructions will help to guide through the process of returning any Telehealth equipment back to the DLC.
- All information and data that may be stored on any Telehealth platform will be cleared before disposing, recycling, or refurbishment.

Click UPS logo above for UPS delivery map and Enter DLC zip code 80401 to *estimate* delivery times of ROUTINE priority shipments.
