

Florence, South Carolina – Community Based Outpatient Clinic

**The U.S. Department of Veterans Affairs Seeks Expressions of Interest for
26,202 ANSI BOMA Office Area Square Feet of Medical Office Space in the area of Florence, SC.**

Notice: This advertisement is a notice of a potential opportunity. This advertisement is not a solicitation for offers, nor is it a request for proposals. The purpose of this advertisement is to identify potential sources and suitable locations and is not intended to pre-qualify or disqualify any potential offers. The Government will not pay for any costs incurred as a result of this advertisement. The Government cannot provide any warranty, expressed or implied, as to the accuracy, reliability or completeness of contents of the furnished information found within this advertisement; Government is under no responsibility to respond to and is unable to answer any inquiries regarding this advertisement. **Respondents are advised that the Government assumes no responsibility to award a lease based upon responses to this advertisement.**

Contracting Office Address: Steve Vanderhye, United States Department of Veterans Affairs (VA), Office of Construction & Facilities Management, Office of Real Property, (003C1E), 425 I Street, NW, Washington DC 20001.

Description: VA seeks to lease approximately 26,202 ANSI BOMA Office Area Square Feet of space and 177 parking spaces for use by VA as a Medical Office Clinic in the delineated area explained below within Florence, SC. VA will consider leased space located in an existing building as well as land for new construction for a build-to-suit lease option.

Lease Term: Up to 20 years.

Delineated Area: To receive consideration, submitted properties must be located within the following area described below, which is bound by the following roads, or must front on any of the following boundary lines:

Bounded on the North: I-95 to US52

Bounded on the South: US 76 to South Cashua Drive to South Knollwood Road Alligator Road

Bounded on the West: I-95

Bounded on the East: West Lucas Street to East Lucas Street to South Church Street to East on Freedom Blvd. to South Irby St.

The attached map of the delineated area is provided for further clarification of the boundaries of the delineated area.

[Map]: Attachment

Additional Requirements:

(1) Offered space must be located on no more than two contiguous floors. If the offered space is on two floors, a minimum of 2 passenger elevators and 1 combination (passenger/freight) elevator must be provided.

(2) Bifurcated sites, inclusive of parking, are not permissible.

(3) The following space configurations will not be considered: Space with atriums or other areas interrupting contiguous space, extremely long or narrow runs of space (more than twice as long as wide), irregularly shaped space configurations or other unusual building features adversely affecting usage.

(4) Column size cannot exceed two (2) feet square and space between columns and/or walls cannot be less than twenty (20') feet.

(5) Offered space cannot be in the FEMA 100-year flood plain.

(6) Offered space must be zoned for VA's intended use by the time of Lease Award.

(7) Offered space will not be considered if located in close proximity to property with incompatible uses, including but not limited to the following uses: Treatment centers, Correctional facilities, where firearms are sold/discharged, railroad tracks, or within flight paths.

(8) Offered space will not be considered if located in close proximity to residential or industrial areas and Grade Schools and/or equivalents.

(9) Space will not be considered where apartment space or other living quarters are located within the same building.

(10) Offered space must be located in close proximity to amenities including but not limited to restaurants, hotels, pharmacy, and shopping.

(11) Offered space must be located within 5 miles of a hospital or stand-alone emergency room center and a fire department.

(12) Offered space must be located in close proximity to public transportation. A commuter rail, light rail, or bus stop shall be located within the immediate vicinity of the building.

(13) Offered space must be easily accessible to multiple highways, which provide multiple routes of travel.

(14) Loading dock and freight elevator required (if on offered space is on 2 contiguous floors). Parking lot must be able to accommodate deliveries by trucks with trailers.

(15) Structured parking under the space is not permissible.

(16) Offered space must meet Federal and Local Government requirements for fire safety, physical security, accessibility, seismic, and sustainability standards per the terms of the solicitation for offers or request for proposals.

(17) A fully serviced lease may be required.

(18) Offered space must be compatible for VA's intended use.

(19) Parking Requirements: Approximately 177 on-site parking spaces must 1) be dedicated for the exclusive use of VA; and 2) be fully compliant with local laws. Parking spaces shall be handicapped designated in accordance with local code. All spaces shall be sized in accordance with design standards as described in the VA Lease Based Outpatient Clinic Design Guide (available at <http://www.cfm.va.gov/til/dGuide.asp>). The parking area must meet all requirements of Architectural Barriers Act Accessibility Standards (ABAAS) (available at <http://www.gsa.gov>).

All submissions should include the following information:

- (1) Name of current owner;
- (2) Address or described location of building or land;
- (3) Location on map, demonstrating the building or land lies within the Delineated Area;
- (4) Description of ingress/egress to the building or land from a public right-of-way;
- (5) A statement as to whether the building or land lies within the Delineated Area;
- (6) Description of the uses of adjacent properties;
- (7) FEMA map evidencing floodplain status;
- (8) A narrative and map describing proximity of the building or land to the nearest bus and/or train stop, and major transportation routes;
- (9) A description of any planned land development or construction that will affect the site, including neighboring projects and road/utility line construction;
- (10) Site plan depicting the property boundaries, building, and parking;
- (11) Floor plan, ABOA, and RSF of proposed space;
- (12) If you are qualified as a Veteran Owned Small Business (VOSB) or Service Disabled Veteran Owned Small Business (SDVOSB) under NAICS Code 531120 Lessors of Nonresidential Buildings with a small business size standard of \$38.5 million, please read the attachment, entitled, "VOSB or SDVOSB Status". You are invited, but not required to submit a Capabilities Statement;
- (13) A document indicating the type of zoning;
- (14) A description of any changes to the property necessary to be compatible with VA's intended use;
- (15) A statement indicating the current availability of utilities serving the proposed space or property.
- (16) Although evidence of ownership or control of site is not necessary at this stage of the procurement, respondents are encouraged to provide evidence. Evidence of ownership or control of the site will be required once the RLP is issued. Non-owners (e.g. prospective developers/lessors) submitting a building or land must provide evidence of permission or authority granted by the property owner to submit the property to VA for development.

(17) Any information related to title issues, easements and restrictions on the use of the building or land.

All interested parties must respond to this announcement no later than September 27th, 2019 at 4:00 p.m. EST.

Market Survey (Estimated): TBD
Occupancy (Estimated): Winter 2021

Attachment - VOSB or SDVOSB Status

The NAICS Code for this procurement is 531120 Lessors of Nonresidential Buildings, and the small business size standard is \$38.5 million. Responses to this notice will assist VA's Office of Real Property (ORP) in determining if the acquisition should be set-aside for competition and restricted to SDVOSB or VOSB concerns in accordance with 38 USC Sec. 8127.

The magnitude of the anticipated construction/buildout for this project is:

- (a) Less than \$25,000;
- (b) Between \$25,000 and \$100,000;
- (c) Between \$100,000 and \$250,000;
- (d) Between \$250,000 and \$500,000;
- (e) Between \$500,000 and \$1,000,000;
- (f) Between \$1,000,000 and \$2,000,000;
- (g) Between \$2,000,000 and \$5,000,000;
- (h) Between \$5,000,000 and \$10,000,000;
- (i) Between \$10,000,000 and \$20,000,000;
- (j) Between \$20,000,000 and \$50,000,000;
- (k) Between \$50,000,000 and \$100,000,000;
- (l) More than \$100,000,000.

VA makes monthly rental payments in arrears upon facility acceptance and may elect to make a single lump-sum payment or amortize over the course of the firm term for specified tenant improvements. VA makes no progress payments during the design or construction/build-out phases of the project.

This is not a request for proposals, only a request for information for planning purposes, and does not constitute a solicitation. A solicitation may or may not be issued.

Project Requirements: ORP seeks information from Potential Offerors who are capable of successfully performing a lease contract, including design and construction of the facility described above, for a term of up to 20 years, inclusive of all options, as well as all maintenance and operation requirements for the duration of the lease term, at a fair and reasonable price. More information on VA's requirements can be found on its Technical Information Library: <https://www.cfm.va.gov/til/leasing.asp>.

SDVOSB and VOSB firms are invited to provide information to contribute to the market research for this project. SDVOSB and VOSB firms must be registered in VA's Vendor Information Pages (VIP) site at <https://www.vip.vetbiz.gov/>. All business concerns must have the technical skills and financial capabilities necessary to perform the stated requirements. All business concerns are requested to submit a Capabilities Statement if they are interested in participating in this project. A submission checklist and information sheet is provided below for firms to fill out and submit, which will serve as the firm's Capabilities Statement.

Capabilities Statement Will Include:

1. Company name, address, point of contact, phone number, Experian Business Identification Number, and e-mail address;
2. Evidence of SDVOSB or VOSB status through registration at VIP (<https://www.vip.vetbiz.gov/>);
3. Evidence of ability to offer as a small business under NAICS Code 531120 and listing in the System for Award Management (www.SAM.gov), including a copy of the representations and certifications made in that system;
4. A summary describing at least three (3) projects of similar size and scope completed in the past five (5) years that demonstrate your company's experience designing, constructing, and managing Federal leased facilities or health care facilities relevant to the project described above. (3-page limit);
5. Evidence of capability to obtain financing for a project of this size.

If desired, the company may also submit a narrative describing its capability.

Although this notice focuses on SDVOSB and VOSB, we encourage all small businesses and other interested parties to respond for market research purposes.
