

VA Nebraska-Western Iowa Healthcare System Initial Outfitting, Transition & Activation

Statement of Work

M7625 – Colposcope, General, Mobile

Updated 9/3/2019

VA Nebraska-Western Iowa Healthcare System

4101 Woolworth Avenue

Omaha, NE 68105

Ambulatory Care Center Project

1. INTRODUCTION

Veteran Affairs Nebraska-Western Iowa Healthcare System (VANWIHS) has a requirement to purchase M7625 – Colposcope, General, Mobile with an authorized vendor to supply and deliver the item(s) identified in Table 1 below. This requirement is in support of a brand name or equal requirement. See salient characteristics below. This requirement is in support of the activation of VA Nebraska-Western Iowa Healthcare System Ambulatory Care Center. The new Ambulatory Care Center has the need for three mobile Colposcope Systems for the Women’s Veterans Clinical Service Department. The current manufacturer is the basis for design.

Table 1 – Package Items Summary

Item Number	Item Description	Quantity

	Seiler Vario Focus 150 (Seiler Item #115-Variofocus 150), Brand Name or Equal.	2
	User Manuals	2
	Service Manuals	2
	Installation	1

1.1 Additional Item Requirements

For all Colposcopes, the vendor shall provide user manuals that describe proper use, care and cleaning for users of the equipment.

In addition, the vendor will provide service manuals that includes theory of operation,

maintenance requirements, repair information, schematics, part lists and troubleshooting information in electronic format for use by the VA Biomedical Engineering Department.

Date of manufacture must not be greater than 2 years before the purchase order date. The equipment must not be used or refurbished and must have the latest manufacturer's software/hardware updates installed. Any batteries provided with the unit will not be manufactured more than 12 months before the purchase order issue date.

2. GENERAL CONDITIONS

2.1 Site Address

The address of the VA Nebraska-Western Iowa Healthcare System Ambulatory Care Clinic is provided below.

4101 Woolworth Avenue
Omaha, NE 68105

2.2 Delivery Schedule

Items shall be physically delivered no earlier than the estimated delivery start date and no later than the delivery end date listed in Table 2 below.

Building Name	Building # & Letter	Acronym	Est. Delivery Start Date	Est. Delivery End Date
Ambulatory Care Center	4101		1 APR 20	30 MAY 20

Table 2 – Anticipated Building Outfitting Schedule

2.3 Schedule and Order Management

2.3.1 The above delivery schedule is based upon the current construction schedule, which is subject to change. The vendor shall not increase prices for a change in delivery date for up to 30+ days due to construction delays.

2.3.2 The awardees actual delivery dates will be confirmed by VA upon award.

2.3.3 Post-award, the vendor will coordinate delivery identified in this document with the VANWIHS prior to beginning any work (See Section 2.4). Once the dates have been confirmed, modifications to the schedule are subject to written approval by the CO, COR and the vendor. Schedule changes that are beyond the dates specified in the contract will require approval by the Contracting Officer and a contract modification.

2.4 Delivery and Receiving

2.4.1 Delivery and receipt of the proposed items is anticipated to be directed to the location identified below. Confirmation of delivery location will be provided post-award. To coordinate delivery, contact Government POC Mark Stockstell at (402) 995-5847, mark.stockstell@va.gov, Colin Beal at (402) 930-7775, colin.beal@va.gov , Dan Thompson at (785) 477-2820, dan.thompson@sme-solutions.co , and Derick Lacky at (301) 602-9109, dlackey@hcrmoves.com.

☒ VANWIHS Omaha VA Ambulatory Care Clinic (Direct Delivery to address detailed in paragraph 2.1.1)

☐ IOT&A Contractor-Provided Warehouse Local to the VANWIHS SME Solutions Warehouse: Attn: SME Solutions-VA Project, Gratton Warehouse Co. 11005 E Circle Omaha, NE 68137

2.4.2 The vendor is required to define the need for a staging area to accommodate item delivery, if needed. Post-award, this information will be confirmed with the vendor.

2.4.3 The delivery of items identified in this document shall take place during normal loading dock business hours which are defined as: 8:15 AM to 3:00 PM Central Standard Time, Monday through Friday, and excluding Federal Holidays.

2.4.4 Delivery trucks will not be permitted to remain at the loading dock. Trucks shall be unloaded, moved from the dock, and then brought back to the dock if required to haul out any waste, tools, or excess materials.

2.4.5 Labeling of delivered items shall include the VA facilities contract number and VA purchase order number for identification and reference upon receipt of product.

2.5 Use of Warehouse

If the vendor requires the use of the Government's activation contractor's warehouse to meet the requirements of this contract the vendor must provide a certificate of insurance prior to the delivery and offloading of the item(s). This insurance certificate must be completed and presented to the activation contractor prior to delivery.

The vendor shall communicate through the VA and IOT&A POC any required coordination requirements.

2.6 Clean Up and Disposal

2.6.1 There are no dumpsters available for vendor use.

2.6.2 The removal of waste and/or excess material shall be conducted through the loading dock area.

2.7 Assembly and Installation Required (Yes ☒ No ☐)

2.7.1 The vendor is required to manage and coordinate installation at the VANWIHS Omaha VA Ambulatory Care Clinic with the COR or his representative IOT&A POC.

2.7.2 On-site assembly and installation of items, and performance of services identified in this document shall take place during normal business hours in the new ACC which are defined as: 8:00 AM to 4:30 PM Central Standard Time, Monday through Friday, and excluding Federal Holidays.

2.7.3 The vendor is required to define the need for a staging area to accommodate item assembly and installation, if needed. Post-award, this information will be confirmed with the vendor.

2.7.4 The vendor is required to provide tools, labor and materials to complete assembly and installation of the items detailed in this document.

2.7.5 The vendor shall protect all finished spaces and surfaces as required from delivery and installation damage. The vendor shall use covering and protection to the extent necessary to prevent damage to finished spaces. Any damage occurred during delivery and installation is the responsibility of the vendor. The vendor will be responsible for paying for and repairing any damage or noted deficiencies to finished spaces and surfaces that occur as a result of the vendor's (or associated sub-contractors) installation.

2.7.6 During the entire duration of assembly and installation, the vendor will have a competent representative on-site as the vendor's contact, and to serve as the interface between the vendor and VANWIHS. On-site representative can be the installer. All instructions provided from COR to the representative will be binding as if given to the vendor's main contact. The COR may provide specific instructions, however, only the Contracting Officer may change the terms or conditions of the contract.
