

Source Selection Plan for 8999-000033

Source Selection Authority: Awarding Contracting Officer

Evaluation Process:

The Government intends to award a firm fixed price, Requirements contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation that provides the best benefit to the Government, price and other factors considered. Offers will be evaluated by performing a comparative evaluation in accordance with FAR 13.106-2(b)(3) to determine which response represents the “best” as a whole.

Quotes will be evaluated by performing a direct comparison of one offer with another in a uniform manner to determine which quote provides the government with its needs, as identified in the RFQ. The government reserves the right to consider a response that offers more than the minimum and select that response if it provides a benefit to the government. The government has the discretion to accept other than the lowest priced offeror that provides additional benefits. The government also has the has the discretion to make an award based on whether the lowest priced of the quotations/offers having the highest past performance rating possible represents the best benefit to the government.

The following factors shall be used to evaluate offers:

1. Pricing: The sum of all the CLINs, to include options, will represent the total evaluated price. Proposed price must be determined to be fair and reasonable in order to be eligible for award.
2. Technical Acceptability
 1. Demonstrated experience performing this requirement
 2. Demonstrated qualifications to perform services
 3. Use of Sub-Contractors
3. Past Performance
4. SDVOSB Status verification in CVE
