FedBizOpps Special Notice  
Rev. March 2010

Due to adverse weather damage in some parts of the Beaufort National Cemetery caused by Hurricane Dorian last week, a deferment of an award for full Tree Maintenance contract services has been requested to allow the Beaufort National Cemetery to immediately focus addressing felled trees and tree safety concerns.

Re-solicitation for complete Tree Maintenance Services may take place after the start of the new fiscal year (after October 1, 2019) and upon FY20 funding availability.
