The following provisions are incorporated into 52.212-1 as an addendum to this solicitation:

- 2) All quotes shall include: one (1) separate electronic copy of each of the Section listed below. The Sections must be clearly identified as described below (either as the title of the document or on the actual document). Failure to separate the sections listed below may result in a non-responsive determination and the quote may no longer be considered for award.
- 3) No price information shall be included in the technical section. If pricing information is found in the technical section, the quote will automatically be considered non-responsive and not evaluated.
- 4) Offerors are responsible for including enough details to permit a complete and accurate evaluation of each quote. No assumptions will be made.
- 5) All documents shall be submitted in an unlocked form. Failure to comply may result in a non-responsive determination.
- 6) The font of text shall be no larger than 14 pt and no smaller than 10 pt.
- 7) All page number requirements will be strictly followed. Any extra pages will be extracted from the document starting at the last page and working backwards until the page limit is achieved.
- 8) Failure to provide the information as required below and in the format required may result in a non-responsive determination and the quote may no longer be considered for award.

B. Section I Administrative/Regulatory Page limit: None.

Please be advised that this Section is not sent for technical evaluation.

1. Completed certifications and representations located at FAR 52.212-3, or an indication that said certifications and representations are current and located in the SAM database.

- 3) Provide narrative which fully describes the process the vendor proposes to use to perform the services as described in the SOW. A copy and paste of the SOW into the technical portion of the quote is not an acceptable response to the Government's request and may result in an "Unacceptable" determination.

The redacted copy is the document that will be sent to the technical evaluators. The redaction should eliminate the vendor's name, any names of individuals working for the company, email addresses or any other identifying data. The purpose of the redaction is an attempt to hold an unbiased evaluation. The vendor is responsible for redaction of this section and the Government will not apply further redactions to this section. This section will be reviewed prior to submission to the technical evaluators and, if it is determined that it contains vendor information (DUNS, CAGE, Phone Numbers, Names, etc) the vendor may be considered non-responsive and no longer considered for award.

(4) [] Have, [] have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
