2. Brief Description of Supplies/ Services required and the intended use/Estimated Amount:
Purchase of a Brainlab Curve Dual Display Equipment and Software Support for a base year
and four option years. The aggregate cost of this requirement is estimated to be [REDACTED].

3. Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used: The OKC VA medical center currently owns the Brainlab Curve Dual Display system. Brainlab Inc does not have an authorized third-party provider for the maintenance of this equipment or software. Brainlab Inc also certifies that they are the sole provider of service and support for Brainlab manufactured equipment and software. Therefore, Brainlab Inc is the only source of trained technicians capable of performing the required repairs and preventative maintenance on the equipment and support for the software, which is required to meet standards for Joint Commission accreditation.

4. Description of market research conducted and results or statement why it was not conducted:

Brainlab Inc was contacted regarding the required services, and confirmed that no other vendor is authorized to perform these services on Brainlab equipment or software. Additionally, a search was conducted on VetBiz, FBO, and FPDS, and no vendor other than BrainLab Inc was found capable of providing the required services. Therefore, no other source is capable of satisfying the requirement.
