

- VHAPM Part 813.106 Simplified Acquisition Procedures: Soliciting from a Single Source
Attachment 1: Single Source Justification for SAP under the SAT

DEPARTMENT OF VETERANS AFFAIRS

**Justification for Single Source Awards IAW FAR 13.106-1
For
Over Micro-Purchase Threshold but Not Exceeding the SAT (\$250K)**

Acquisition Plan Action ID: 36C257-19-AP-4844

1. Contracting Activity:

Department of Veterans Affairs, VISN 17, 5440 Babcock Rd, San Antonio, Texas 78240.
Amarillo VA Medical Center, 6010 Amarillo, Texas 79106.

Estimated Total: 

2. Brief Description of Supplies/ Services required and the intended use/Estimated Amount:

Require the services of a Contractor to compound and deliver hazardous drug (HD) compounded sterile products (CSP) for veterans receiving chemotherapy treatment and other life-threatening treatments while the Amarillo VA Medical Center pharmacy service clean room is not suitable for compounding. Our facility requires this contract to continue to provide uninterrupted care.

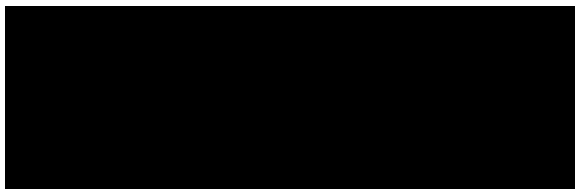

3. Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:

Contractor meets agencies urgent timeframe for uninterrupted patient care needs. has a cleanroom which is certified to CETA CAG 003-2006 standards. Contractor staff is trained and tested to comply with the most current approved version of USP 797 and USP 800. This is the only contractor found that meet the requirements which require the cleanroom to be certified to CETA CAG 003-2006 standards and 503A Facility. This is confirmed by the fact that at least 2 other VAMS have established emergency contracts with this vendor. One of these VAMCs is within VISN 17. Contractor meets agencies timeline for urgent need.

4. Description of market research conducted and results or statement why it was not conducted:

Market research involved an inquiry to the Amarillo VA Health Care System. This facility has an existing contract: 36C25720D0011 as they also are unable to provide chemotherapy to veterans receiving treatment. Efforts were taken to find additional suppliers, due to emergent need Avella Pharmacy was the only one that met 503A FDA clean lab facility guidelines.

5. Contracting Officer's Certification: *Purchase is approved in accordance with FAR13.106-1(b). I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief.*
