--------------------	------------	--------------------	-------------------	------------------

Imaging: Live Zoom up to 4x with no change in technique; Digital Pen; squircle image retains 100% shape when rotated; image annotation; measurement tools; SmartMetal; AutoTrak Automatic Brightness Stabilization (ABS); General-Purpose Dynamic Range Management (GDRM); Minimal Difference Spatiotemporal noise filter (MDST); noise filter with on-screen indicator; automatic and manual digital brightness and contrast control; negate mode; save/auto-save feature; swap/auto-swap feature; last image hold; 40,000 image storage; preset imaging profiles: General, General HD, Orthopedic, Spine and 9900; and multi-functional footswitch and handheld controls

Image Viewing: Incredible detail displayed with 32" (81 cm) 4K UHD color display with anti-glare and touchscreen capabilities; Viewing versatility with articulating monitor display for optimal viewing with travel of 45" (114 cm) horizontal, 17" (43 cm) vertical, 27" (67 cm) forward, and 5° up/ 5° down tilt

Workstation with Intuitive User Interface: SmartConnect start up; flat work surfaces and storage bins; ergonomically designed handles and low friction wheels; simple touchscreen operations; physical and virtual keyboard with image control keypad; multi-purpose image directory; integrated DICOM interface; radiation dose structured report (RDSR) and X-ray dose summary; room-in-use indicator interface; examination list and customized patient information

Dose Management: Selectable modes can be used individually or in combination and include continuous fluoroscopy, pulse, low dose, HLF, and digital spot; on-screen PreView Collimator; and Smart Window

X-ray Generator and Power Management: 15 kW power from standard wall outlet; patented generator battery buffer design; power monitoring with on-screen display; controlled shutdown process; accidental power loss protection with a 20 second battery back-up power to workstation and C-arm
Connectivity: Multiple ports including: ethernet, room interface, video output, video input, USB

Security: Password protection, blank screen function, delete all patient information
