b. Questions/Answers:

1. Question: Reference: Exhibit 3 Price Schedule (RFQ VA260-13-Q-0158): Page 12 of 66 of the RFP states, we are to provide, "4) Alternate Payment Protection". Can you please confirm that a bid guarantee (bid bond), will meet this requirement? Answer: Reference FAR Clause 52.228-13, Alternative Payment Protection, acceptable payment protections are: Payment Bond or Irrevocable Letter of Credit.

2. Question: Solicitation #: VA260-12-R-1157, Request #: VA260-13-Q-0158 – Magnitude; Please indicate the expected price range for the project referenced above. Answer: Magnitude is noted in the solicitation under Instructions, Conditions, and other Statements to Bidders/Offerors.

3. Question: The Distributed Radio Antenna System Project, VA260-13-Q-0158, has drawings for the basement, 2nd Floor, 7th Floor, 8th Floor and roof level. Is the scope of work to only include these levels or some floor plates match others? Is there any below ground parking? Answer: The drawings represent areas where there are horizontal runs. Any floors for which there is not a drawing should just have a vertical run passing through it from above. There is no underground parking.

4. Question: The following applies to the Seed Projects Bid document requirements.

Exhibit 1 – RFQ VA260-12-Q-1703 and Exhibit 3 – RFQ VA260-13-Q-0158 state that no Bid Bond is required. The government estimate for these two projects is similar to, and in line with, the other three seed projects which all require Bid Bonds. Answer: The government estimate was not provided for any project. A bid guarantee (bond) is required when the task order procurement requires a performance bond or a performance and payment bond.
