## B.2 Statement of Work

### CONSIGNMENT AGREEMENT – Tissue Matrix

- 1. SCOPE.** Items under this consignment agreement will be placed at the VA Medical Center (VAMC), 1601 Brenner Avenue, Salisbury, NC 28144. The Government (Customer) is obligated only to the extent of and when use of the item(s) is made by the Customer; except as provided otherwise (see paragraphs 10, 11, and 12b). Unused (unopened and undamaged) items shall be returned, to the Contractor at the end of the effective period of the agreement, without reimbursement or other expenses to the Customer in accordance with paragraph 12a of this agreement. This agreement shall be effective for a period of one (1) year from the date of signatures of both parties for up to a total of three (3) years. The agreement shall be reviewed every twelve months to determine price reasonableness and the need to continue the agreement. Modifications to the agreement can be made throughout the life of the agreement if agreed to by both parties.
- 2. PRODUCTS.** The term “Products” as used herein shall mean all tissue matrix products which are listed in the Schedule attached hereto, but located on Customer’s premises (or within customer’s control). The Customer is responsible for storing the product for use as indicated by the product’s labeling. Once used, the Customer orders a replacement (see paragraph 7 below), and is invoiced at the Consignment Agreement price for the replacement product. The items (“Products”) listed in the Schedule shall be available on a consignment basis. This Agreement supersedes all prior consignment agreements between Customer and Contractor or any of its affiliates for the Products.
- 3. TITLE TO PRODUCTS.** The ownership of all products (consigned items) furnished under this agreement shall remain with the Contractor until such time as said item(s) are used by the Customer.
- 4. INITIAL STOCK LEVEL.** The Contractor and the Contracting Officer shall mutually determine the final number of products initially stocked. The Products listed in the Schedule of this agreement represent the products that will be available for consignment. A "no charge" purchase order indicating initial shelf stock product codes and required quantities is required to initiate shipment of initial stock of inventory. Initial consignment inventory shall be placed at Salisbury VAMC, at no expense to the VAMC, within ten (10) calendar days after receipt of fully executed Agreement and a properly executed no charge purchase order.
- 5. INVENTORY MANAGEMENT.** All consignment inventories will be coordinated with VA professional staff. Contractor will remove or replace inventory as necessary. VA professional staff may request that inventory having less than 90 days sterility/expiration date be removed and replaced. A list of all products will be provided to the Contracting Officer. These services will be completed at no cost to the Government. Contractor’s personnel will periodically (no less than once per year) conduct a physical inventory of the consignment inventory, with copy of inventory furnished to Contracting Officer.
- 6. USAGE REVIEW.** Contractor shall evaluate Customer’s actual usage and purchase volume vs. the expected monthly turns, and review the results with Customer’s representative. After such review the Contractor reserves the right to request return of any unused product. Contractor reserves the right to cancel this agreement (see paragraph 12 below) and request the return of any unused product at any time.
- 7. REPLENISHMENT PRODUCT.** When the VAMC has a requirement to purchase replacement item(s), the VAMC may do so at the price quoted by the Contractor in the Schedule. Contractor agrees to accept either a PO or VA Purchase Card as methods of payment. A purchase order will be issued for each implanted or used item within one (1) business day of its use. This purchase order will authorize payment for the used item(s) and will also authorize delivery of the replacement item(s). The purchase order should be referenced on the invoice and delivery ticket for the replaced item(s). All replacement items shall be delivered within three (3) business days from receipt of purchase order. Replacement of product is through the Contractor's Customer Service department by providing a purchase/delivery order number including product item number for the products and quantities needed. The

physician will have the responsibility to determine which item to use. Occasionally specific patients may require a special implant not available on the consignment list. These items may be purchased directly from the Contractor on an open market basis. Special implants that become routinely used will be added to the agreement, upon mutual agreement of the parties, by a bi-lateral modification issued by the Contracting Officer. If Contractor cannot provide special implants for specific patients then VA may procure the implants from another contractor. The physicians of this medical center will have final approval for acceptance of products.

8. **PRICE AND DELIVERY TERMS.** All Orders will be invoiced at the Consignment Agreement price in effect at the time of the Order. The initial shelf stock order will be supplied after agreement has been signed and Customer has been scheduled to receive product. Prices listed in the Schedule are effective on the date of this agreement through the period of consignment but are subject to change by mutual agreement (see paragraph 9 below).
9. **MODIFICATION:** Except as stated otherwise in this agreement, this agreement shall only be changed by a written modification signed by both parties.
10. **LIABILITY:** The ownership and title of all consigned items shall remain with the Contractor until such time said item(s) are used by VAMC. The Government assumes no liability for any item(s) assigned to the VAMC on a consignment basis until such time as a requirement for the item(s) exists and a delivery order is placed against the agreement. The Government will provide adequate care and storage of the inventory and will bear any risk of loss or damage to inventory to the extent suffered as a direct result of the Government's (or the Government's agents, employees or designees) negligence, contamination or pilferage. At that time, a purchase order will be issued for a replacement item. Neither party shall be liable for any failure or delay in the performance of its obligations under this Agreement due to causes beyond the control of such party, including but not limited to fire, floods, other act of God, accidents, embargoes, wars, riots and any other acts or order of any government or governmental agency. 16. **DEFECTS:** The Contractor will replace defective products at no charge to the Government, unless the Government has misused or lost products.
17. **RETURNS:** Unused items will be returned to the Contractor at the end of the effective period of the consignment without reimbursement or other expenses to the VA. (h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals--

(1)  Are,  are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2)  Have,  have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3)  Are,  are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4)  Have,  have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
