

- A. Amendment A00005 is issued to incorporate the attached "Revised" General Requirements which removes reference to all bid alternates. The attached "Revised" General Requirements rescinds the original General Requirements.
- B. The following attached documents are hereby incorporated into the solicitation, see attached referenced documents.
- Sketch for the Asbestos
 - Notes for the fire protection sheets, changes to A-101 and MAA1-101 to remove the bid alternate(s), and a description of the changes to the general requirements.
