

The diagram shows a horizontal bar divided into segments. From left to right, the segments are: a white square, a square with horizontal lines, a square with vertical lines, a square with diagonal lines, and a white square. Below the bar, the numbers 20, 0, 20, 40, and 60 are written, corresponding to the segments. The first white square is labeled 20, the first horizontal-lined square is labeled 0, the vertical-lined square is labeled 20, the diagonal-lined square is labeled 40, and the final white square is labeled 60.
