Remodel Building Five Ground Floor Restrooms
NRM Project 438-13-104
VA Health Care System - Sioux Falls, SD 57105

Contractor: _____

Date: _____

CLIN	Description	Quantity	Price
0001 Base Bid Priority #1	Remodel Building 5 ground floor restrooms per the statement of work, plans, and specifications.	Lump Sum	\$ _____
0002 Alternate Bid Priority #2	Remodel Building 5 ground floor restrooms per the statement of work, plans, and specifications using ceramic floor tile instead of terrazzo.	Lump Sum	\$ _____

The low bidder for purposes of award shall be the responsive and responsible bidder offering the low bid amount for the base bid. If the base bid amount exceeds the amount of available funds determined by the Government, it shall be skipped and the alternate bid shall be evaluated. The low bidder for purposes of award shall be the responsive and responsible bidder offering the low bid amount for the alternate bid. Award will only be made if funds are available. All bids shall be evaluated on the basis of the same bid, either base bid or alternate bid. The listed order of priority, in descending order, must be followed for determining the low bidder.
