36..	Reference Page 27, Paragraph VII.4., "Factor 4: Quality Control Plan." - Phase II Criteria requires a Quality Control Plan (5 page max) to be included as part of proposal submission, however the Phase II Proposal Format on Page 25 under Paragraph VI does not list Quality Control Plan as one of the required Tabs to be submitted with the proposal. <b>Please clarify whether Factor 4-Quality Control Plan should be included as part of Phase II proposal response and if so, what Tab it should be.</b>	Contract and Purchasing Solutions	05/01/13	
Response	<b>Factor 4 Quality Control Plan <u>shall</u> be included as part of the Offeror's Phase II proposal. The Quality Control Plan shall be listed in the Offerors Technical Proposal at TAB F. Quality Control plans that reflect details specific to this project will be weighted higher than plans that are general in content.</b>			05/08/13
37	Please clarify if the page maximums as listed under paragraph VI (page 25) apply to the proposal response or if we should comply with the page maximums as listed under paragraph VII (pages 26, 27 and 28).	Contract and Purchasing Solutions	05/01/13	
Response	<b>The Offerors Phase II Proposal shall comply with the page maximums as listed under paragraph VII (pages 26, 27 and 28).</b>			05/08/13
