	General	<p>Understand that the project is 100% SDVOSB set-aside. The verification process is moving along, however, and it is my understanding that firms may pursue work as an SDVOSB without complete verification, but that the contract itself cannot be executed upon award until such time as the verification is complete. Is this accurate?</p>	<p>In accordance with the Veterans First Contracting Program, effective January 7, 2010, SDVOSB and VOSB contractors are required to register in VA's VIP database at <a href="http://www.vetbiz.gov">www.vetbiz.gov</a>. Pursuant to 38 USC 8127(f) and 38 CFR Part 74, VA is required to verify the Veteran status, ownership and control by Veterans of firms listed in the VIP database prior to award of any contract under this program. Therefore, all contractors proposing under this solicitation must be registered (CVE) in the VIP database prior to award. NOTE: Please be advised that obtaining CVE certification or re-certification can be a lengthy process – Please plan accordingly.</p>
