

MEMORANDUM

Date: 5/13/2013
From: Wade Lein, P.E., COR
Subj: Project 568-13-207, Repair Summerville Entrance and BP road
To: Contracting Officer, Donald Gilbert

This is two modifications to the project 568-13-207, Repair Summerville Entrance and BP road.

Sheet C-3 callout D should read "Asphalt slope where no curb & gutter either side required, parking area will vary see drawing".

A tree is to be removed and disposed of off VA property and the stump is to be ground two feet the below ground surface. The tree is located near where the new curb is to be installed. The tree is approximately 68 inches around the base and 24 feet tall. This will be done to facilitate installation of new curb and gutter.

The contractor shall coordinate with the VA on a stockpiling location for all millings for later use by the VA. The VA shall have first right of refusal of all millings.

V/r,
