

## **UPGRADE RECEPTION STATIONS**

### **1.2 STATEMENT OF BID ITEM(S)**

A. ITEM I, Contractor shall furnish all labor, materials, tools and equipment required to completely and satisfactorily perform the construction and placement of new reception area workstations as per specifications and drawings. This work will take place in designated areas of buildings 2 and 51 at the Veterans Affairs Health Care System in St. Cloud, Minnesota. All work is to be performed according to industry requirements and recommended standards, and in compliance with the accompanying contract documents and federal specification sections.

Work will consist of the phasing demolition, removal & replacement of Reception area workstations. It shall be the responsibility of the contractor to coordinate all demolition and construction activities through VA personnel (COR).
