

NOTES

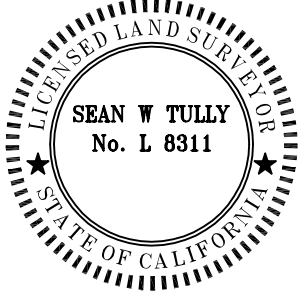

1. Elevations shown hereon are to the top of pipe, unless otherwise noted.
2. Utilities shown have been located from visible above-ground, on-site observation only. Therefore the surveyor assumes no liability for the location and or existence of any utilities that may have been concealed at the time of this survey. The locations of underground utilities have not been located and are not included as a portion of this survey. The surveyor makes no guarantees that the underground utilities shown comprise all such utilities in the area, either in service or abandoned.

CERTIFICATION

This map has been prepared for the sole purpose of showing the location and elevations of existing underground utilities of the subject area for the design and construction of a electrical utility line. All other information shown hereon is for informational purposes only.
