This SDVOSB provided several proven instances of successful past performance that are directly relevant to the scope of this effort. Securing Barbaricum, LLC. to provide the work under this contract will successfully allow the marketing and advertising efforts of VHA to continue to promote VA as an employer of choice within the health care industry.

IAW VAAR § 819.7007 Sole source awards to service-disabled veteran-owned small business concerns. (b) "The contracting officer's determination whether to make a sole source award is a business decision wholly within the discretion of the contracting officer. A determination that only one SDVOSB concern is available to meet the requirement is not required. "

An RFI/Sources Sought Synopsis (SSS) was released on April 26, 2013 to General Services Administration (GSA) e-Buy! under synopsis number VA701-13-I-0179. Of the RFI responses, one (1) SDVOSB and one (1) Veteran Owned Small Business (VOSB) responded to the RFI. Upon reviewing the capability determinations, the SDVOSB was determined to be reasonably capable of fulfilling the requirement. And, as stated above, is registered in the VIP database. Further, the VOSB respondent was determined to be marginally capable of fulfilling the requirement, but is not certified in the VIP database as required by the VAAR to be considered for SDVOSB/VOSB set-aside actions. Therefore, Barbaricum, LLC was the only SDVOSB/VOSB both found reasonably capable of fulfilling the requirement and Vetbiz certified in the VIP database.

LLC. proposal.
